Highly Important to Farmers.
The only Exclusive Farmers' Insurance Company in the West.

THE MADISON MUTUAL,
Located at Madison, Wisconsin.
THIS COMPANY CONTINUES TO TAKE Risks upon Farm Property only, consisting of buildings of all kinds, (belonging to farmers) household furniture, grain in barns live stock, &c., from one to five years, at lower rates than most other respectable Companies.
All losses promptly paid at the office as soon as proof is made thereon.
We believe it to be for the interest of the farmers to insure by themselves, their property being less hazardous than any other, consequently you will have no losses, but your own of the same class, and all will be in an equal footing.
Experience has shown that two thirds is not three fourths of the fires that occur are in hotels, taverns, mills, shops and such like property. In this company all such property is excluded. [illegible]

DR. J. B. MARCHISI'S
CELEBRATED CATHOLICON,
For the Relief and Cure of Suffering Females

IT STANDS PRE-eminent for its curative powers, in all the diseases for which it is recommended, usually called Female Complaints. Of these are Prolapsus Uteri, or Falling of the Womb; Fluor Albus, or Whites; Chronic Inflammation and Ulceration of the Womb; Incidental Hemorrhage, or Flooding; Painful, Suppressed and Irregular Menstruation, &c., with all their accompanying evils, (cancer excepted,) no matter how severe or how long standing.
The Catholicon is far surpassing other remedies, being more certain, less expensive, and leaving the system in a better condition.
I have no hesitation in saying Dr Marchisi's Uterine Catholicon is invaluable in uterine disease generally. I have used it in Fluor Albus, Amenorrhoea, Prolapsus Uteri, and in cases of extensive ulceration of the vagina and os uteri. It is worthy of the notice of the Faculty.
JOHN C ORRICK, M D
Baltimore Md
The Catholicon is doing good service here. All the patients that have tried the medicine have been benefited but one—and that one nothing will help.
Truly Yours,
WM LAIRD HATLETT, M D,
July 4th, 1854 New Philadelphia, Ohio
I must say, from my own experience and personal observations in my practice, it has proved to be the best and safest remedy for the difficulties for which it is recommended, viz: that of female weakness, such as Prolapsus Uteri, Fluor Albus, and all irregular and painful menstruation, and diseases of irritation of the female organs.
D Y FOOTE, M D,
Syracuse, N Y
Those needing such a remedy should inquire into the merits of this medicine, and by calling at the store of the undersigned can obtain a pamphlet (free) containing ample proof, from the most respectable sources, of the beneficial results of its use, together with letters from highly experienced Physicians, who have used it in their practice, and speak from their own observations.

INSURANCE OFFICES.

Highly Important to Farmers.
The only Exclusive Farmers' Insurance Company in the West.

THE MADISON MUTUAL,
Located at Madison, Wisconsin.
THIS COMPANY CONTINUES TO TAKE Risks upon Farm Property only, consisting of dwellings of all kinds, (belonging to farmers) household furniture, grain in barns, live stock, &c., from one to five years, at lower rates than most other reputable Companies.
All losses promptly paid at the office as soon as proof is made thereon.
We believe it to be for the interest of the farmers to insure by themselves, their property being less hazardous than any other, consequently you will have no losses, only your own of the same class, and all will be on an equal footing.

DR. J. B. MARCHISI'S
CELEBRATED CATHOLICON,
For the Relief and Cure of Suffering Females

IT STANDS PREeminent for its curative powers in all the diseases for which it is recommended, usually called
Female Complaints.
Of these are Prolapsus Uteri, or Falling of the Womb, Fluor Albus, or Whites, Chronic Inflammation and Ulceration of the Womb, Incidental Hemorrhage, or Flooding, Painful, Suppressed and Irregular Menstruation, &c., with all their accompanying evils, (cancer excepted), no matter how severe or how long standing.
The Catholicon is far surpasses other remedies, being more certain, less expensive, and leaving the system in better condition.
I have no hesitation in saying Dr. Marchisi's Uterine Catholicon is invaluable in uterine diseases generally. I have used it in Fluor Albus, Amenorrhoea, Prolapsus Uteri, and in cases of extensive ulceration of the uterine and os uteri. It is worthy of the notice of the Faculty.
JOHN C. ORRICK, M. D.
Baltimore, Md.
The Catholicon is doing good service here. As to the patients that have tried the medicine have been benefited, but one—and that one nothing will help!
Truly Yours,
WM. LAIRD HAZLETT, M. D.
July 4th, 1854 New Philadelphia, Ohio
I must say, from my own experience and personal observations in my practice, it has proved to be the best and safest remedy for the difficulties for which it is recommended, viz: that of female weakness, such as Prolapsus Uteri, Fluor Albus, and irregular and painful menstruation, and diseases of irritation of the female organs.
D. Y. FOOTE, M. D.
Syracuse, N. Y.
Those needing such a remedy should inquire into the merits of this medicine, and by calling at the store of the undersigned can obtain a pamphlet (free) containing ample proof, from the most respectable sources, of the beneficial results of its use together with letters from highly experienced Physicians, who have used it in their practice, and speak from their own observations.

VOLUME XI. MILWAUKEE DAILY SENTINEL. NEW SERIES.

THE DAILY SENTINEL.

Rufus King, Wm. H. Watson & John S. Fillmore, Proprietors.

RUFUS KING & CO.

Thursday Morning, Feb. 22.

☞ For [illegible] by Telegraph see Third page.

News of the Morning.

[illegible] B[illegible], with Liverpool dates [illegible], one week later, arrived at New [illegible] yesterday afternoon about 1 o'clock and [illegible] two afterwards her news was received at the Sentinel office and immediately issued in an extra. Full details of the important news will be found under the Telegraph head. The most important item is the formation of a new British Ministry, with Lord Palmerston, one of Great Britain's ablest statesmen, Premier. This involves the immediate recall of Lord Raglan, who whatever his other merits, has shown himself unequal to the command of the British Army before Sebastopol. Lord Lucan, the General commanding the Cavalry, has also been recalled, it being now well understood that he it was who ordered the fatal and foolhardy charge of the British Light Cavalry at Balaklava. The new ministry is made up from both the old parties, whig and tory and is strong in talent and public confidence. It is evident that John Bull expects them to push the war with more vigor and success than did their predecessors. We hear the usual mixture of Peace rumors and war-like facts; the latter rather preponderating. Germany is arming. Austria has a fresh bone to pick with Russia. There has been more hard fighting about Sebastopol and once more we are told that all is ready for the assault.

Acts Passed by the Legislature.—A list of all the Acts, Memorials, Joint Resolutions and Appropriation bills passed by the Legislature up to Monday last, will be found in our columns this morning. It shows that the Legislature has worked diligently since it has been in session.

The Judicial Election.

The Grant County Herald suggests the name of Hon. C. Eastman, as a suitable candidate for Supreme Court Judge at the coming election, and vouches for Mr. Eastman as "right-minded, qualified and deserving in every particular." The Madison Journal states that a call is circulating among the Members of the Bar, requesting Judge Crawford, the present incumbent, to become a candidate for re-election and another among the members of the Legislature inviting the Hon. Orsamus Cole to be a candidate. The Journal warmly endorses Mr. Cole's eminent fitness for this responsible station. He would do honor to the Wisconsin Bench.

The Extraordinary Envoy to Spain.—The Albany Argus, the leading Democratic organ of the State of New York, cannot be brought to approve the job, whereby Senator Augustus Cæsar Dodge receives from President Pierce, a fat office for which the said Dodge is notoriously unqualified—in full pay for the vote given by the Senator for that favorite Administration measure the Nebraska Iniquity. The Argus says:

There is one aspect in which we are not particularly pleased with this selection. Political leaders, who like Senator Dodge, meet defeat in common with their party at home, would in our judgement act more magnanimously, and better deserve the continued confidence of their associates, by returning to the ranks and doing faithful service in their own State, and rising again to power, with the renewed triumph of their principles and their party.

Debt of Milwaukee.—From a financial statement made by the City Clerk, it appears that Milwaukee owes $1,031,550 of which $823,000 is for bonds issued to Railroad Companies, $177,560 is a funded debt for past expenses, and $31,000 for improvement of the harbor. The city owns property estimated at $150,000.—[Chicago Dem. Press.

Assuming that our Chicago contemporary desired to give a full and fair statement, we call its attention to the fact that for the $823,000 of bonds, issued by Milwaukee in aid of various Rail Road Companies, our City holds securities, in the shape of full paid stock, first mortgage bonds and personal bonds of R. R. Directors—many of them wealthy men—to the aggregate amount of over three millions of dollars.

Who Shall Win it!

A correspondent, at Sault Ste. Marie, of the Utica Herald, writes a very interesting letter in regard to the ship canal, and the opening of the mineral wealth of the Upper Peninsula, in which occurs the following paragraph:

"It is an interesting and important question, what State will reap the largest harvest from the opening of this wide mineral world—Michigan or Illinois—Detroit or Chicago—New York or Ohio—Buffalo or Cleveland? Detroit has apparently the advantage, but Chicago intends to win it from her if possible. As a citizen of this State, I trust she will not suffer this great prize to pass from her without a struggle. The work is, in every sense, a national one—national in its objects and in size and style superior to any of its kind on this continent."

Wisconsin has an interest in this matter, and Milwaukee proposes to compete for the prize.—We have the advantage being nearer to the Sault than our rivals, and our merchants are prepared to offer their Lake Superior customers the opportunity of selecting from as large stocks and on as favorable terms as can be found elsewhere.

A New Route—Steamers Chartered.—The Ontario, Simcoe and Huron Union Railway Company have, we learn, chartered the steamers Key Stone State, Queen City and J. Louis and, owned by Gen. Reed, of Erie, and Steamer Lady Elgin, by A. D. Patchin of Buffalo, to run from Collingwood's port on Georgian Bay, to the Sault Ste. Marie and Chicago. It is contemplated to run the Queen City to and from the Sault, and the other boats of the line to Chicago, touching at the Wisconsin ports. The above Rail road runs nearly northwest from Toronto, thro' Barrie on Lake Simcoe, and terminates at Collingwood, situated at the southern extremity of Georgian Bay, distant from Toronto 95 miles. The section from Toronto to Barrie has been in operation since October, 1853, and the Northern division—31½ miles—from the latter place to Collingwood was finished and put in running order during the last fall and present winter. This will very likely become a favorite route of summer travel.

Crawford & Co's. Northern Transportation Company.

The Cleveland Herald understands that Crawford & Co. have purchased the propellers of the Cape Vincent line, and added them to those of the Northern Railroad line; and that, during the ensuing season they will be run as the property of the Northern Transportation Company. The following are the propellers that will constitute the line:

Granite State	Ogdensburgh,	Michigan,

Asking for Once.—Mr. Toots of the Wisconsin concern with his yoke fellow of the News is the present belief that the Sentinel "feels uneasy" in its present position. If that belief can tend to restore peace between these loving brethren and quiet the feuds which have so long divided them, far be it from us to dispel the innocent delusion. On the contrary, we beg them to make the most of it.

Invited to Resign.—Mr. J. F. Potter, of East Troy, Walworth County, yesterday presented to Judge Miller of the U. S. Court, a petition, signed by 2[illegible] voters of all parties in East Troy, Burlington and Mukwanago, inviting him to resign his Office. The reply of the Judge has not transpired; but it is not supposed to have been favorable.

EDITORIAL CORRESPONDENCE OF THE SENTINEL.

Madison, Feb. 20, 1855.

Public documents from Washington are crowding along. No less than 10 two bushel bags of them were brought up from the Post Office this morning to the Assembly Chamber.

In the Senate this morning, petitions:

By Mr. Hadley, memorial from Milwaukee City Council for House of Refuge Bill.

By Mr. Gibson, for certain bridges.

" " Taylor, the acct of D. Hunt.

Mr. Eldridge, from committee, reported against a memorial from Milwaukee Co. praying the remission of the delinquent taxes, and the report was concurred in by the Senate.

Mr. Reymert, from the Militia Committee, reported against chartering that mysterious association, the "U. or B. of R. of Appleton."

Bills introduced:

By Mr. Kelsey, allowing adjournments in justices' courts for more than 90 days.

By Mr. Kelsey, for a State road.

" " charter of Mt. Morris Academy.

" " Sutherland, amending charter of Janesville.

By Mr. Sutherland, charter of Janesville Hydraulic Co.

By Mr. Sutherland, authorizing E. Doty to keep a flume on Rock River.

By Mr. Gibson, two for bridge charters.

" " amending charter of Black River Falls, Boom Co.

By Mr. Gibson, repealing charter of Lumber & Booming Co.

By Mr. West, authorizing a dam.

(The list of bills passed in both houses, you have already.)

In Assembly:

Messrs Welch, Field, Isham, Lee and Rose presented petitions for a liquor law.

Mr. Velit, the memorial of the Milwaukee Common Council for the House of Refuge Bill, and the memorial of the Rock River Canal Co.

By resolution, the use of the Hall was granted to Mr. Vinton, for a temperance lecture this evening.

Bills introduced:

By Mr. H. Grant, repealing chap 10 local laws of '54.

By Mr. W. Grant, for relief of school district No 4 in Sullivan, Jeff. Co.

By Mr. Judson, amending charter of Kenosha and Beloit R R Co.

By Mr. Love, charter of Northwestern Mining and Smelting Co.

By Messrs Whitty and Davis, memorials for mail routes.

On Mr. Vilas' motion, the vote passing a bill of appropriation to somebody for "sample stationery," was re-considered, and the bill tabled for further information. On one side, it is stated that large quantities of stationery have been sent on as "samples" in answer to proposals to stationers, and these bills are to pay for them, the dealers thus making excellent sales; and on the other hand, it was stated by Mr. Falvey that the stationery has been taken and used by the State, and should be paid for.

Mr. H. Grant, from Committee on Contingent Expenses, read a minority report in relation to the Governor's expenditure of the $10,000, taking the ground that several of the items, amounting to some $4000 and over, were unauthorized by law or right.

The bill which passed in relation to the 5th ward of our city, authorizes the ward tax in that ward to be increased by 8 mills on the dollar, and the election of three commissioners for surveying the ward for a new and uniform grade.

Another bill, which passed, provides for transferring at once to the Circuit Courts, all the appeals from Justices which were cut off or suspended by the taking away of the civil jurisdiction of the County Courts.

The bill restricting the sale of school lands to actual settlers was received from the Senate, in the form of a substitute for the original Assembly bill, and referred to a standing Committee.

Mr. Falvey's bill, amending the mechanics' lien law, was passed, after an explanation by Mr. Randall, showing that the bill only extends the lien to persons making repairs, and furnishing machinery for buildings.

Mr. Vliet moved to request the Senate to return the bill dividing Adams Co. Mr. Davis opposed the motion, stating that some 450 settlers had asked for the division, and after three weeks, no opposition had been made; The motion failed.

Mr. Randall's bill authorizing parties desiring to obtain a writ of quo warranto from the Supreme Court to test the title to offices, to use the Att'y Genl's name, with or without his consent, elicited an animated debate. It seems that the Att'y Gen'l has refused to allow Prof. Daniels' counsel to use his name in moving for such a writ to test his title to the office of State Geologist. Mr. Randall argued that the officer ought not thus to be allowed to prevent any citizen from obtaining justice. The bill passed, by a large majority.

Mr. Gary in the chair, the committee of the whole went through all the bills in the file. (It is much to be regretted that the Assembly is delayed by bills being in the hands of the printer. The Census Bill, Swamp Land Bill, Militia Bill, and others, are out of the possession of the House, and cannot be acted upon till printed. The Liquor Bill, too, is in the printers' hands, and, though the special order for to-morrow, will scarcely be on hand.)

Mr. Stevens introduced, and succeeded in getting through under a suspension of the rules, a bill restoring the civil jurisdiction of the La Crosse Co. Court. The reason alleged for this action was the extent of the Circuit, allowing so little opportunity for trial of cases—collection cases in particular.

Just before the adjournment, a bill came in from the Senate, providing pay for the Sergeant-at-Arms and 2 assistants, Door Keeper and 2 assistants, Fireman and 2 assistants, and 2 Messengers, officers of the Senate.

Amending charter of Appleton.

Amending act concerning dam on Milwaukee river.

Amending act for a state road.

For state road from Appleton to Oconto river.

In Assembly, after the first three orders of business, the special order, the Temperance bill was taken up. The numerous votes taken show a majority of 8 to 10 in favor of a prohibitory law, among those present.

The bill was read through in Committee of the whole, and a host of amendments voted down. A few, moved by the friends of the bill, were carried.

A resolution was offered to adjourn over to-morrow, but the Assembly adjourned to to-morrow morning. W. H. W.

Minister to Spain.—The President has nominated A. Cæsar Dodge, of Iowa, Minister to Spain, place of Soule, resigned. Now then, let him make Dodge, senior, Minister to France and the West will "come right down." Never before was there an Administration that had so good an idea of the fitness of men and things.—[Waukesha Plaindealer.

The News will have to call its democratic yoke-fellow to order. The Plaindealer ventures to question the fitness of Augustus Cæsar for the Diplomatic appointment which the President has conferred upon him in pay for his Nebraska vote.

Wire Fence.—Beautiful wire fencing is now made by machinery, at Lowell (Mass.) by John Nesmith Esq., at a cost of from $0,60 to $1,50 per rod. It is rolled up like a carpet and sent to any part of the country. We predict that this new invention will become one of very general use in this country, where hedges are impracticable and where stone or even wooden fences are so expensive.

Reception of a Member of the Legislature in the Hindoo Council at Syracuse.

Albany, Feb. 14, 1855

Dear Sir:—Yours of the 8th inst., containing a certificate of my election as a delegate to the State Grand Council of the so called K. N. order from my Council, No. 274, held in Rutland, Jefferson county, was received. In my reply you will see how your delegate was received by the Grand Council of the State, now in session in the city of Syracuse.

I presented my credentials at the place of meeting, and was introduced to a number of the Order by the District Deputy, Mr. ——; I was then escorted to the desk of the Grand Secretary, paid the quarterly dues of my Council you entrusted me with, namely, two cents for each member of our Council. After this ceremony, I was conducted to the main hall, where all the delegates soon assembled, being about 200 in number. The presiding officer, Mr. Barker of New York, said: "Before proceeding to business, I would ask if there was any opportunity of there being any listeners?" Being assured on that point, the first business was to examine each person in the hall for the purpose of ascertaining whether they had taken the third degree. Those who had not received it were taken into an anteroom, questioned, and instructed further in the mysteries of the Order, as the business to be transacted could not, with safety, be done in the presence of any who had not taken the necessary oaths of a third degree member.

Before proceeding farther, they inquired of each member for whom they voted at the last State election. All those who had not voted the Ullman ticket (and there were about eight who had not done so) according to the instructions of the Grand Council, last fall, were required to acknowledge they had committed an offence against the Order, and ask to be forgiven, and promise in all things in future to obey their superiors. Upon so doing, a vote was taken and the repenting members were reinstated.

I being a member of the Legislature, was invited upon the platform with the officers of the meeting, and introduced by Mr. Barker, who informed the Grand Council that I would make explanations in relation to my vote cast at the last election. Whilst I was proceeding to do so one of the members asked me for whom I voted for United States Senator? When I replied, William H. Seward, it created a great excitement in all parts of the hall. Some twenty or thirty, more vehement than the rest, rushed forward to the platform, hissing, stamping their feet, gnashing their teeth, extending their arms with clenched fists, crying out, with countenances flushed with excitement, "Traitor," "Perjurer," "Liar," "Villain" and other epithets, accompanied with the exclamation, "hustle him out," "down stairs with him," "throw him out of the window," &c. &c.

By this time the meeting was in a complete uproar. The presiding officer could not control those present, and declared the meeting adjourned for one hour. There was then a general rush for the platform where I was standing. Some of the foremost seized my collar, but by the exertion of a few personal friends, I was saved from further violence by being, with great haste, escorted down a private stair-way, whilst others closed the doors and kept back the mob. When I reached the street, Mr. Barker advised me to go to my Hotel and not to show myself about the place, but leave the city in the first conveyance. Having no other business to attend to, I took his advice and left Syracuse in the first train.

I know not what you and the Council may think of this, but if you ever desire to send a delegate to such a Pandemonium, you must select some other person besides your sincere friend and fellow townsman, MOSES EAMES.

To the W. P. of Council 271.

Public Meeting.

The Friends of Freedom assembled, obedient to a call duty made, at the Baptist Church in Fox Lake, on Friday evening last.

B. F. Gibbs, Esq., was appointed Chairman, and Wm. E. Smith chosen Secretary.

The Circular of the Milwaukee Committee on the Rescue Trials Fund was read.

A. Hawley, Q. H. Barron, and Geo. Morgan, were appointed a Committee to prepare and report resolutions, expressive of the sense of the meeting.

While this committee were out, pertinent but brief remarks were made by Mr. J. W. George, and Rev. Mr. Cooley.

The Committee on Resolutions reported the following, which, after being fully considered and discussed, were unanimously adopted.

Resolved, That we cordially responded to the appeal of the financial committee, appointed at a meeting of the citizens of Milwaukee held at Young's Hall, on Friday evening the 9th inst., for the purpose of taking into consideration the recent Rescue Trials:—that we are ever ready to contribute of our substance to secure the rights of our citizens, against the tyranny of Federal Courts and the pains and penalties of the odious Fugitive Slave Act:—and that we recommend to this meeting the rising of a fund to be forwarded to said committee, for the purpose of aiding in defraying the expenses incurred in said Rescue Trials.

Resolved, That we have heard with unmingled satisfaction, of the discharge, in due course of law, of our fellow citizens, S. M. Booth and John Rycraft, from the fine and imprisonment to which they had been sentenced for alleged violation of the Fugitive Slave Act;—that we regard this decision of our Supreme Court as a noble vindication of the great Writ of Habeas Corpus and the precious right of Trial and Jury—and that we thank them heartily for thus promptly interposing to protect two of our citizens from the pains and penalties of an alleged conviction under an unjust, inhuman and unconstitutional act.

Resolved, That in case of a conflict of the Federal Court with our State Supreme Court touching the case of Booth and Rycraft, and others similar, we, as citizens of Wisconsin, do pledge ourselves to sustain the action of our Supreme Court, by argument, at the ballot box, and, if need be, by force of arms.

Resolved, That the Finance Committee be empowered to call a future meeting, when deemed necessary.

Resolved, That the proceedings of this meeting be published in the Fox Lake Times, and that the Milwaukee Sentinel and Free Democrat be requested to copy.

Messrs. N. E. Allen, B. F. Gibbs and James Taylor, were added to the Committee to collect funds, with W. E. Smith, A. Hawley and Thomas Raines.

Whereupon the meeting adjourned.

B. F. GIBBS, Chairman.

Wm. E. Smith, Secretary.

Another Awful Warning.—On Wednesday morning last, two men, by the names of Thomas King and Hugh Flood, living in Genesee, were found near the road. Flood was frozen to death and King was so near it, that he was insensible. They had been to this village, and were on their way home, and had probably lain in the snow all night. King had a bottle of Brandy with him, which probably explains the cause of their lamentable situation. Flood leaves a wife and a large family of children to mourn his untimely death.—[Waukesha Plaindealer.

CITY MATTERS.

City Election Notice.

The Clerk of the Common Council, under the direction of that body, has issued the usual notice that the Annual Election for City Officers will take place on Tuesday, March 6th, (two weeks from to-day,) and that the polls will be held at the following places.

First Ward—at Best's Lager Beer Hall on Market street.

Second Ward—at the Mansion House.

Third Ward—Bryan Coughlin's, corner of Detroit and Jefferson streets.

Fourth Ward—Engine House of No. 5.

Fifth Ward—Lake House.

The following are the officers to be elected:

A Mayor, Comptroller, Treasurer, Police Justice, Marshal and Attorney, for the city, and one Alderman for 2 years, one Alderman for 1 year, one Assessor, one Constable, and one Railroad Commissioner for each of the Wards.

Candidates in Training.—The near approach of the election is indicated by the increasing groups on the street corners. Sundry candidates for Marshall, Alderman, and other offices, may be seen every day now, taking their exercise and showing off their paces, along the East Water Street side-walks. The favorite course is from Ludington's, or from Van Cott's corner, to the Post Office and back, with occasional stops, by the way, to ——breathe. Several of the candidates are already in high condition, tho' sometimes a little shaky on their pins. The odds, as yet, are two to one in favor of the ins. The outs, however, are indefatigable in their training.

The Masquerade Ball.—The Masquerade on Wednesday night was a most successful affair. It was very numerously attended, nearly a thousand persons having visited the Hall during the evening. Of these a large number were in costume, and many of them masked. Some of the dresses were quite costly, while not a few of the characters were sustained with great spirit and success. Among the prominent features of the entertainment, were a party of "Shanghaies," in full feather, who made great sport; a Peasant's Wedding Party, 12 couple, all neatly dressed and good dancers; two pair of African exclusives, who performed to admiration; a capital Indian; several Clowns, Knights, Millers, Turks, &c.—Many of the disguises were complete, Mr. Toots, for instance, assumed the character of a gentleman, and successfully preserved his incognito all the evening. The Ball must have yielded a handsome sum to the treasury of the Educational Association for whose benefit it was given.

One of the Warehouses.—We took a brief look, yesterday, thro' Mr. D. Newhall's new and spacious Warehouse in the Fifth Ward, now rapidly filling up with Wisconsin Produce. It is 122 feet long, by 50 wide, and four stories high, solidly and substantially built, and with storage capacity for 5000 bbls flour and 200,000 bushels of grain. The lower floor is now filled, almost solid, with Flour, Beef and Pork—about 5000 bbls in all—while in the bins which occupy the upper stories there are now about 90,000 bushels of wheat and 5000 Rye. The facilities for taking in, weighing, elevating and shipping Grain, are all of the most approved kind, and the various machinery moves like clock-work. Upwards of 12,000 bushels a day can be taken in from the street, weighed, elevated and put into vessels. The Warehouse and contents are well worth a visit.

Police Court--Feb. 20.

BEFORE CLINTON WALWORTH ESQ. POLICE JUSTICE

Several applications were made for warrants for cases which would require examinations. The Court referred them to the Grand Jury now in session.

Retirement of the Rev. Mr. Spencer.—At the last meeting of the Trustees of the First Presbyterian Church in this city the Rev. W. H. Spencer apprized them of his intention to leave Milwaukee on the 1st of April in order to enter upon the duties of Secretary of the Presbyterian Board of Publication at Philadelphia. Mr. Spencer will leave many friends in Milwaukee and will carry with him, to his new home, their warm wishes for his increased usefulness and continued prosperity.

Change of Landlords.—Mr. D. S. Pollitt, formerly of the Tremont House, has just taken possession of the Baltic House, and having newly fitted it up is prepared to accommodate the travelling public. Mr. Pollitt has long been known in Milwaukee as a Landlord, giving at all times satisfaction. A first rate Hostler will be engaged and every pains taken to make the "Baltic House" the best house in town for teamsters and Farmers.

A Large Melodeon.—The largest Melodeon, and the one having the most melody and power that we have seen, is at Hull's Book Store, corner of E. Water and Michigan Sts. It has two stops, and its power is equal to a small organ, and for a small country church it would be preferrable, its cost would not be one-third.

Ship Building in Milwaukee.—Capt. Jones, at his shipyard on the river, has two schooners, one of 250, and one of 125 tons on, the stocks. Capt Barber is about to lay the keels for a schooner of 130 tons and a sloop of 70, and several Norwegians are building, on their own hook, a schooner of 100 tons.

The Grand Jury.—The Grand Jury will probably adjourn to-day, but meet again to be finally discharged by the the court. Their investigation of the Carroll matter seems to be of little account, nothing except what the public have already been apprised of, having been elicited from the witnesses, his body is probably in the river.

Trap Shooting Match.—A Pigeon shooting match came off yesterday at Layton's Tavern, in which 140 pigeons were shot from a trap, many of the crack shots killing two from one shouldering.

Dental.—Doctor C. P. Fitch, a new comer among us, offers his services to such of our citizens as may need them. He brings good testimonials and refers to sundry gentlemen of our city as to his qualifications. See his card.

The Weather.—The thaw, yesterday, was quite rapid and the snow wasted away sensibly under the warm sunshine. Towards night a South West wind and gathering clouds betokened a storm.

Spring Styles.—Messrs. Chandler & Jennings, at 199 East Water Street, are already in receipt, by Express, of some attractive Spring Styles, to which they invite public attention.

Wisconsin Pork.

Messrs. Editors:

In one of your late numbers, a paragraph appeared copied from the Grant County Herald, entitled "Heavy Pork," saying that a man of that County butchered five hogs, 22 months old, weighing in the aggregate 2,290 pounds; the heaviest weighing 493.

While we, of Rock Prairie, do not claim to be more hoggish than the "rest of mankind," nay, should probably, repel any such imputation attempted to be cast upon us, our modesty will not prevent us from saying, that, in the matter of good, well-fatted and heavy pork, we think we can successfully compete with any other portion of this wide domain.

Now, for our story. F. S. Cook, of Johnstown, Rock County, fatted, and on the 1st day of February butchered 33 hogs, whose aggregate weight was 13 663 pounds, the weight ranging from 270 to 504 lbs. But one of them was over 19 months (and that one not the heaviest) and many of them but 17 months; 20 of them weighed 8,151 pounds, averaging 407 pounds.

The hogs were sold in Milwaukee and obtained the credit of being the best brought to that market the present season. If any locality turns out a better lot, then it will be time for "Rock Prairie" to put forth increased exertion.

D. R. S.

Senator Seward's Acceptance.—The following letter from Gov. Seward was read in both Houses of the New York Legislature on Thursday last:

Washington, Feb. 12, 1855.

To the Legislature of the State of New York:—

I have the honor to acknowledge the receipt of credentials showing that I have been chosen by your honorable body, a Senator of the State of New York, in the Congress of the United States, for a term of six years, to commence on the 4th day of March next.

I hope that in announcing my acceptance of this trust, I may be indulged with leave to say that, while the experience I have had here has not at all diminished my estimate of its magnitude and dignity, nor removed the self-distrust with which I assumed it, yet the generous confidence manifested by my fellow-citizens, in commanding me to continue in their service, inspires me with new zeal to maintain the rights and promote the interests of my native State in the National Councils, and to commend her enlightened policy and her principles of constitutional freedom to the favor of the American Union. I have the honor to be,

With the highest respect,

Your serv't and fellow-citizen,

WILLIAM H. SEWARD.

Republican Reform.—A bill has passed the Legislature appropriating $684,64 for the postage of the session up to the 11th inst. This is the entire amount of postage for the first month of the session. Last year no appropriation of the kind was made till the expiration of two months, when it amounted to $3,593,69. Halve this, and we have the average for one month of last session, $1,791,84. The account then stands thus:

Postage of 1 month of session of 1854,	$9,791,84
" " " 1855,	684,64
Balance in favor of Republican reform,	$1,107,20

It should be borne in mind that the expense of postage is but a small item in the ponderous aggregate of expenditures of which it is a part—the direct and indirect cost of extravagant orders of public printing and newspapers. A moderate postage bill indicates a great and important retrenchment in the matter of these orders.

Misrepresentation and slander are easy. The opposition press teems with falsehoods and perversions respecting the Republican Legislature. We point to these figures, and their irresistible logic, as a conclusive refutation of these calumnies.—[Madison Journal.

A New Lead.—We are informed that Messrs. Irving and Miller have struck a body of mineral which promises to be very large, on the famous East Ridge, on land owned by Gen. Jno. H. Rountree, about half a mile east of Platteville. They have raised some 20,000 pounds of mineral already two hands raising in one day some 5,000 lbs. These men are persevering miners, and have stuck to digging for some years, with great diligence. It is hoped by every good man they will husband well the proceeds.—Grant Co. Herald.

MARRIED.

In this city, on Tuesday, the 6th inst., Mr. F. O. DYKE, of the firm of Dyke & Hoffman, to Miss AMALIE WISE, all of Milwaukee.

On Tuesday, February 20th, Mr. AUGUST WILKE, of St. Louis, to Miss AGATHA DYKE, of Milwaukee.

Guarantee Fund, $100,000, Deposited with the Comptroller of the State of New York.

The advantages offered by this Company are many, and the public are invited to call upon the Agent and make themselves acquainted with the System adopted by the Company, when they will be better able to decide whether Life Insurance is desirable or not, and at what Office it is their interest to insure.

The many reasons why Fire and Marine Insurance should be adopted, are incontrovertible; and Life Insurance, while it in no way interferes with, or undervalues these important institutions, has claims which no other system of insurance can have. Human existence must on consideration, enjoy a much higher estimation than worldly property.

While the representative of a family lives, (although, through neglect to insure his property, he becomes bankrupt,) he supports his family; but at his death, dies also their means of support, unless he has saved them from want by an insurance on his life, which may be done by the payment of a small annual premium, the payment of which has not diminished his own worldly comforts during life.

If young, the annual payment will be light, and if insured with profits, the policy will be constantly growing more valuable, though the premium is not increased.

Clergymen and others who have a stated and regular income, should insure, well knowing that, at their death their families may be left destitute,

Men engaged in mercantile or manufacturing pursuits ever varying and uncertain in their issues, should insure.

The farmer who has still a mortgage on his farm, should insure, at least to the extent of it, thereby enabling his family to pay off the debt in case of his death.

A Wonderful Discovery has recently been made by Dr. Curtis, of this city, in the treatment of Consumption, Asthma and all diseases of the lungs. We refer to "Dr. Curtis's Hygeana, or Inhaling Hygean Vapor and Cherry Syrup." With this new method Dr. C. has restored many afflicted ones to perfect health; as an evidence of which, he has innumerable certificates. Speaking of the treatment a physician remarks:—It is evident that inhaling—constantly breathing an agreeable, healing vapor, the medicinal properties must come in direct contact with the whole of the serial cavity of the lungs, and thus escape the many and varied changes produced upon them when introduced into the stomach, and subjected to the process of digestion. The Hygeana is for sale at all the druggists throughout the country.—New York Dutchman, Jan. 14th.

VOLUME XI. MILWAUKEE DAILY SENTINEL. NEW SERIES.

THE DAILY SENTINEL.

Rufus King Wm H Watson & John S Williams, Proprietors.
RUFUS KING & CO.

Thursday Morning, Feb. 22.

Latest News by Telegraph see Third page.

News of the Morning.

[illegible] B[illegible] with Liverpool dates [illegible], one week later, arrived at New [illegible] yesterday afternoon about 1 o'clock and [illegible] two afterwards her news was received at the Sentinel office and immediately issued in an extra. Full details of the intelligence she brings will be found under the Telegraph head. The most important item is the formation of a new British Ministry, with Lord Palmerston, one of Great Britain's ablest Statesmen, Premier. This involves the immediate recall of Lord Raglan, who whatever his other merits, has shown himself unequal to the command of the British Army before Sebastopol. Lord Lucan, the General commanding the Cavalry, has also been recalled, it being now well understood that he it was who ordered the fatal and foolhardy charge of the British Light Cavalry at Balaklava. The new ministry is made up from both the old parties, whig and tory and is strong in talent and public confidence. It is evident that John Bull expects them to push the war with more vigor and success than did their predecessors. We hear the usual mixture of Peace rumors and war-like facts; the latter rather preponderating. Germany is arming. Austria has a fresh bone to pick with Russia. There has been more hard fighting about Sebastopol and once more we are told that all is ready for the assault.

Acts Passed by the Legislature.—A list of all the Acts, Memorials, Joint Resolutions and Appropriation bills passed by the Legislature up to Monday last, will be found in our columns this morning. It shows that the Legislature has worked diligently since it has been in session.

The Judicial Election.

The Grant County Herald suggests the name of Hon. C. Eastman, as a suitable candidate for Supreme Court Judge at the coming election, and vouches for Mr. Eastman as "right-minded, qualified, and deserving in every particular." The Madison Journal states that a call is circulating among the Members of the Bar, requesting Judge Crawford, the present incumbent, to become a candidate for re-election and another among the members of the Legislature inviting the Hon. Orsamus Cole to be a candidate. The Journal warmly endorses Mr. Cole's eminent fitness for this responsible station. He would do honor to the Wisconsin Bench.

The Extraordinary Envoy to Spain.—The Albany Argus, the leading Democratic organ of the State of New York, cannot be brought to approve the job, whereby Senator Augustus Caesar Dodge receives from President Pierce, a fat office for which the said Dodge is notoriously [illegible] full pay for the vote given by the Senator for that favorite Administration measure the Nebraska Iniquity. The Argus says:

There is one aspect in which we are not particularly pleased with this selection. Political leaders, who like Senator Dodge, meet defeat in common with their party at home, would in our judgement act more magnanimously, and better deserve the continued confidence of their associates, by returning to the ranks and doing faithful service in their own State, and rising again to power, with the renewed triumph of their principles and their party.

Debt of Milwaukee.—From a financial statement made by the City Clerk, it appears that Milwaukee owes $1,031,550 of which $823,000 is for bonds issued to Railroad Companies, $177,560 is a funded debt for past expenses, and $31,000 for improvement of the harbor. The city owns property estimated at $150,000.—[Chicago Dem Press.

Assuming that our Chicago contemporary desired to give a fair and fair statement, we call its attention to the fact that for the $823,000 of bonds, issued by Milwaukee in aid of various Rail Road Companies, our City holds securities, in the shape of full paid stock, first mortgage bonds and personal bonds of R. R. Directors—many of them wealthy men—to the aggregate amount of over three millions of dollars.

Who Shall Win it?

A correspondent, at Sault Ste. Marie, of the Utica Herald, writes a very interesting letter in regard to the ship canal, and the opening of the mineral wealth of the Upper Peninsula, in which occurs the following paragraph:

"It is an interesting and important question, what State will reap the largest harvest from the opening of this wide mineral world—Michigan or Illinois—Detroit or Chicago—New York or Ohio—Buffalo or Cleveland? Detroit has apparently the advantage, but Chicago intends to win it from her if possible. As a citizen of this State, I trust she will not suffer this great prize to pass from her without a struggle. The work is, in every sense a national one—national in its objects and in size and style superior to any of its kind on this continent."

Wisconsin has an interest in this matter, and Milwaukee proposes to compete for the prize.—We have the advantage being nearer to the Sault than our rivals, and our merchants are prepared to offer their Lake Superior customers the opportunity of selecting from as large stocks and on as favorable terms as can be found elsewhere.

A New Route—Steamers Chartered.—The Ontario, Simcoe and Huron Union Railway Company have, we learn, chartered the steamers Key Stone State, Queen City and J Lous [illegible], owned by Gen. Reed, of Erie, and Steamer Lady Elgin, by A. D. Patchin of Buffalo, to run from Collingwood's port of, Georgian Bay, to the Sault Ste. Mary and Chicago. It is contemplated to run the Queen City to and from the Sault, and the other boats of the line to Chicago, touching at the Wisconsin ports. The above Rail road runs about northwest from Toronto, thro' Barrie on Lake Simcoe, and terminates at Collingwood, situated at the southern extremity of Georgian Bay, distant from Toronto 95 miles. The section from Toronto to Barrie has been in operation since October, 1853, and the Northern division—31½ miles—from the latter place to Collingwood was finished and put in running order during the last fall and present winter. This will very likely become a favorite route of summer travel.

Crawford & Co's. Northern Transportation Company.

The Cleveland Herald understands that Crawford & Co. have purchased the propellers of the Cape Vincent line, and added them to those of the Northern Railroad line; and that, during the ensuing season they will be run as the property of the Northern Transportation Company. The following are the propellers that will constitute the line:

Granite State	Ogdensburgh,	Michigan,
Lady of the Lake,	J. W. Brooks	Young America
North. Michigan,	Prairie State,	Wisconsin,
Vermont	Cleveland,	Louisville,
Bay State,	Jefferson.	

These propellers will form a daily line between Ogdensburgh and Cape Vincent, and the ports on Lakes Michigan and Erie—connecting with the Ogdensburgh and Vermont Central Railroads to Boston, and the Cape Vincent Railroad line and Western Express to New York.

Anxious for Order.—Mr. Toots of the Wisconsin coacts with his yoke fellow of the News in the pleasant belief that the Sentinel "feels uneasy" in its present position. If that belief can tend to restore peace between those loving brothers, and quiet the feuds which have so long divided them, far be it from us to dispel the innocent delusion. On the contrary, we beg them to make the most of it.

Inviting a Hearing.—Mr. J. F. Potter, of East Troy, Walworth County, yesterday presented to Judge Miller of the U. S. Court, a petition, signed by 3[illegible] voters of all parties in East Troy, Mukwonago and Mukwanago, inviting him to resign his Office. The reply of the Judge has not transpired; but it is not supposed to have been favorable.

EDITORIAL CORRESPONDENCE OF THE SENTINEL.

Madison, Feb. 20, 1855.

Public documents from Washington are crowding along. No less than 10 two bushel bags of them were brought up from the Post Office this morning to the Assembly Chamber.

In the Senate this morning, petitions:

By Mr. Hadley, memorial from Milwaukee City Council for House of Refuge Bill.

By Mr. Gibson, for certain bridges

" " Taylor, the act of D. Hunt.

Mr. Eldridge, from committee, reported against a memorial from Milwaukee Co. praying the remission of the delinquent taxes, and the report was concurred in by the Senate.

Mr. Reymert, from the Militia Committee, reported against chartering that mysterious association, the "U, or B of R, of Appleton."

Bills introduced:

By Mr. Kelsey, allowing adjournments in justices' courts for more than 90 days.

By Mr. Kelsey, for a State road.

" " " charter of Mt. Morris Academy.

" " Sutherland, amending charter of Janesville.

By Mr. Sutherland, charter of Janesville Hydraulic Co.

By Mr. Sutherland, authorizing E. Doty to keep a flume on Rock River.

By Mr. Gibson, two for bridge charters.

" " " amending charter of Black River Falls, Boom Co.

By Mr. Gibson, repealing charter of Lumber & Booming Co.

By Mr. West, authorizing a dam.

(The list of bills passed in both houses, you have already.)

In Assembly:

Messrs Welch, Field, Isham, Lee and Ross presented petitions for a liquor law.

Mr. Velit, the memorial of the Milwaukee Common Council for the House of Refuge Bill, and the memorial of the Rock River Canal Co.

By resolution, the use of the Hall was granted to Mr. Vinton, for a temperance lecture this evening.

Bills introduced:

By Mr. H. Grant, repealing chap 10 local laws of '54.

By Mr. W Grant, for relief of school district No 4 in Sullivan, Jeff. Co.

By Mr. Judson, amending charter of Kenosha and Beloit R R Co.

By Mr. Love, charter of Northwestern Mining and Smelting Co.

By Messrs Wharry and Davis, memorials for mail routes.

On Mr. Vilas' motion, the vote passing a bill of appropriation to somebody for "sample stationery," was re-considered, and the bill tabled for further information. On one side, it is stated that large quantities of stationery have been sent on as "samples" in answer to proposals to stationers, and these bills are to pay for them, the dealers thus making excellent sales; and on the other hand, it was stated by Mr. Falvey that the stationery has been taken and used by the State, and should be paid for.

Mr. H. Grant, from Committee on Contingent Expenses, read a minority report in relation to the Governor's expenditure of the $10,000, taking the ground that several of the items, amounting to some $4000 and over, were unauthorized by law or right.

The bill which passed in relation to the 5th ward of our city, authorizes the ward tax in that ward to be increased by 8 mills on the dollar, and the election of three commissioners for surveying the ward for a new and uniform grade.

Another bill, which passed, provides for transferring at once to the Circuit Courts, all the appeals from Justices which were cut off or suspended by the taking away of the civil jurisdiction of the County Courts.

The bill restricting the sale of school lands to actual settlers was received from the Senate, in the form of a substitute for the original Assembly bill, and referred to a standing Committee.

Mr. Falvey's bill, amending the mechanics' lien law, was passed, after an explanation by Mr. Randall, showing that the bill only extends the lien to persons making repairs, and furnishing machinery for buildings.

Mr. Vliet moved to request the Senate to return the bill dividing Adams Co. Mr. Davis opposed the motion, stating that some 450 settlers had asked for the division, and after three weeks, no opposition had been made; The motion failed.

Mr. Randall's bill authorizing parties desiring to obtain a writ of quo warranto from the Supreme Court to test the title to offices, to use the Att'y Genl's name, with or without his consent, elicited an animated debate. It seems that the Att'y Gen'l has refused to allow Prof. Daniels' counsel to use his name in moving for such a writ to test his title to the office of State Geologist. Mr. Randall argued that the officer ought not thus to be allowed to prevent any citizen from obtaining justice. The bill passed, by a large majority.

Mr. Gary in the chair, the committee of the whole went through all the bills in the file. (It is much to be regretted that the Assembly is delayed by bills being in the hands of the printer. The Census Bill, Swamp Land Bill, Militia Bill, and others, are out of the possession of the House, and cannot be acted upon till printed. The Liquor Bill, too, is in the printers' hands, and, though the special order for to-morrow, will scarcely be on hand.)

Mr. Stevens introduced, and succeeded in getting through under a suspension of the rules, a bill restoring the civil jurisdiction of the La Crosse Co., Court. The reason alleged for this action was the extent of the Circuit, allowing so little oppportunity for trial of cases—collection cases in particular.

Just before the adjournment, a bill came in from the Senate, providing pay for the Sergeant-at-Arms and 2 assistants, Door Keeper and 2 assistants, Fireman and 2 assistants, and 2 Messengers, officers of the Senate.

A resolution was offered to adjourn over to-morrow, but the Assembly adjourned to to-morrow morning.

Minister to Spain.—The President has nominated A. Caesar Dodge, of Iowa, Minister to Spain, place of Soule, resigned. Now then, let him make Dodge, senior, Minister to France and the West will "come right down." Never before was there an Administration that had so good an idea of the fitness of men and things.—[Waukesha Plaindealer.

The News will have to call its democratic yoke-fellow to order. The Plaindealer ventures to question the fitness of Augustus Caesar for the Diplomatic appointment which the President has conferred upon him in pay for his Nebraska vote.

Wire Fence.—Beautiful wire fencing is now made by machinery, at Lowell (Mass.) by John Nesmith Esq., at a cost of from $0,60 to $1,50 per rod. It is rolled up like a carpet and sent to any part of the country. We predict that this new invention will become one of very general use in this country, where hedges are impracticable and where stone or even wooden fences are so expensive.

Reception of a Member of the Legislature in the Hindoo Council at Syracuse.

Albany, Feb. 14, 1855

Dear Sir:—Yours of the 8th inst., containing a certificate of my election as a delegate to the State Grand Council of the so called K. N. order from my Council, No. 274, held in Rutland, Jefferson county, was received. In my reply you will see how your delegate was received by the Grand Council of the State, now in session in the city of Syracuse.

I presented my credentials at the place of meeting, and was introduced to a number of the Order by the District Deputy, Mr. ——; I was then escorted to the desk of the Grand Secretary, paid the quarterly dues of my Council you entrusted me with, namely, two cents for each member of our Council. After this ceremony, I was conducted to the main hall, where all the delegates soon assembled, being about 200 in number. The presiding officer, Mr. Barker of New York, said: "Before proceeding to business, I would ask if there was any opportunity of there being any listeners?" Being assured on that point, the first business was to examine each person in the hall for the purpose of ascertaining whether they had taken the third degree. Those who had not received it were taken into an anteroom, questioned, and instructed further in the mysteries of the Order, as the business to be transacted could not, with safety, be done in the presence of any who had not taken the necessary oaths of a third degree member.

Before proceeding farther, they inquired of each member for whom they voted at the last State election. All those who had not voted the Ulman ticket (and there were about eight who had not done so) according to the instructions of the Grand Council, last fall, were required to acknowledge they had committed an offence against the Order, and ask to be forgiven, and promise in all things in future to obey their superiors. Upon so doing, a vote was taken and the recusant members were reinstated.

I being a member of the Legislature, was invited upon the platform with the officers of the meeting, and introduced by Mr. Barker, who informed the Grand Council that I would make explanations in relation to my vote cast at the last election. Whilst I was proceeding to do so, one of the members asked me for whom I voted for United States Senator? When I replied, William H. Seward, it created a great excitement in all parts of the hall. Some twenty or thirty, more vehement than the rest, rushed forward to the platform, hissing, stamping their feet, gnashing their teeth, extending their arms with clenched fists, crying out, with countenances flushed with excitement, "Traitor," "Perjurer," "Liar," "Villain," and other epithets, accompanied with the exclamation, "hustle him out," "down stairs with him," "throw him out of the window," &c. &c.

By this time the meeting was in a complete uproar. The presiding officer could not control those present, and declared the meeting adjourned for one hour. There was then a general rush for the platform where I was standing. Some of the foremost seized my collar, but by the exertion of a few personal friends, I was saved from further violence by being, with great haste, escorted down a private stair-way, whilst others closed the doors and kept back the mob. When I reached the street, Mr. Barker advised me to go to my Hotel and not to show myself about the place, but leave the city in the first conveyance. Having no other business to attend to, I took his advice and left Syracuse in the first train.

I know not what you and the Council may think of this, but if you ever desire to send a delegate to such a Pandemonium, you must select some other person besides your sincere friend and fellow townsman,

MOSES EAMES.

Public Meeting.

The Friends of Freedom assembled, obedient to a call duly made, at the Baptist Church in Fox Lake, on Friday evening last.

B. F. Gibbs, Esq., was appointed Chairman, and Wm. E, Smith chosen Secretary.

The Circular of the Milwaukee Committee on the Rescue Trials Fund was read

A. Hawley, Q. H Barron, and Geo. Morgan, were appointed a Committee to prepare and report resolutions, expressive of the sense of the meeting.

While this committee were out, pertinent but brief remarks were made by Mr. J. W. George, and Rev. Mr. Cooley.

The Committee on Resolutions reported the following, which, after being fully considered and discussed, were unanimously adopted.

Resolved, That we cordially responded to the appeal of the financial committee, appointed at a meeting of the citizens of Milwaukee held at Young's Hall, on Friday evening the 9th inst., for the purpose of taking into consideration the recent Rescue Trials;—that we are ever ready to contribute of our substance to secure the rights of our citizens, against the tyranny of Federal Courts and the pains and penalties of the odious Fugitive Slave Act;—and that we recommend to this meeting the rising of a fund to be forwarded to said committee, for the purpose of aiding in defraying the expenses incurred in said Rescue Trials.

Resolved, That we have heard with unmingled satisfaction, of the discharge, in due course of law, of our fellow citizens, S. M. Booth and John Rycraft, from the fine and imprisonment to which they had been sentenced for alleged violation of the Fugitive Slave Act;—that we regard this decision of our Supreme Court as a noble vindication of the great Writ of Habeas Corpus and the precious right of Trial and Jury—and that we thank them heartily for thus promptly interposing to protect two of our citizens from the pains and penalties of an alleged conviction under an unjust inhuman and unconstitutional act.

Resolved, That in case of a conflict of the Federal Court with our State Supreme Court touching the case of Booth and Rycraft, and others similar, we, as citizens of Wisconsin, do pledge ourselves to sustain the action of our Supreme Court, by argument, at the ballot box, and, if need be, by force of arms.

Resolved, That the Finance Committee be empowered to call a future meeting, when deemed necessary.

Resolved, That the proceedings of this meeting be published in the Fox Lake Times, and that the Milwaukee Sentinel and Free Democrat be requested to copy.

Messrs. N. E. Allen, B F. Gibbs and James Taylor, were added to the Committee to collect funds, with W. E. Smith, A. Hawley and Thomas Raines.

Whereupon the meeting adjourned.

B. F. GIBBS, Chairman.

Wm. E. Smith, Secretary.

Another Awful Warning.—On Wednesday morning last, two men, by the names of Thomas King and Hugh Flood, living in Genesee, were found near the road. Flood was frozen to death and King was so near it, that he was insensible. They had been to this village, and were on their way home, and had probably lain in the snow all night. King had a bottle of Brandy with him, which probably explains the cause of their lamentable situation. Flood leaves a wife and a large family of children to mourn his untimely death.—[Waukesha Plaindealer.

CITY MATTERS.

City Election Notice.

The Clerk of the Common Council, under the direction of that body, has issued the usual notice that the Annual Election for City Officers will take place on Tuesday, March 6th, (two weeks from to-day,) and that the polls will be held at the following places.

First Ward—at Best's Lager Beer Hall on Market street.

Second Ward—at the Mansion House.

Third Ward—Bryan Coughlin's, corner of Detroit and Jefferson streets

Fourth Ward—Engine House of No. 5.

Fifth Ward—Lake House.

The following are the officers to be elected:

A Mayor, Comptroller, Treasurer, Police Justice. Marshal and Attorney, for the city, and one Alderman for 2 years, one Alderman for 1 year, one Assessor, one Constable, and one Railroad Commissioner for each of the Wards.

Candidates in Training.—The near approach of the election is indicated by the increasing groups on the street corners. Sundry candidates for Marshall, Alderman, and other offices, may be seen every day now, taking their exercise and showing off their paces, along the East Water Street side-walks. The favorite course is from Ludington's, or from Van Cott's corner, to the Post Office and back, with occasional stops, by the way, to ——breathe. Several of the candidates are already in high condition, tho' sometimes a little shaky on their pins. The odds, as yet, are two to one in favor of the ins. The outs, however, are indefatigable in their training.

The Masquerade Ball.—The Masquerade on Wednesday night was a most successful affair. It was very numerously attended, nearly a thousand persons having visited the Hall during the evening. Of these a large number were in costume, and many of them masked. Some of the dresses were quite costly, while not a few of the characters were sustained with great spirit and success. Among the prominent features of the entertainment, were a party of "Shanghaies," in full feather, who made great sport; a Peasant's Wedding Party, 12 couple, all neatly dressed and good dancers; two pair of African exclusives, who performed to admiration; a capital Indian; several Clowns, Knights, Millers, Turks, &c.—Many of the disguises were complete, Mr. Toots, for instance, assumed the character of a gentleman, and successfully preserved his incognito all the evening. The Ball must have yielded a handsome sum to the treasury of the Educational Association for whose benefit it was given.

One of the Warehouses.—We took a brief look, yesterday, thro' Mr. D. Newhall's new and spacious Warehouse in the Fifth Ward, now rapidly filling up with Wisconsin Produce. It is 129 feet long, by 50 wide, and four stories high, solidly and substantially built, and with storage capacity for 5000 bbls flour and 200,000 bushels of grain. The lower floor is now filled, almost solid, with Flour, Beef and Pork—about 5000 bbls in all—while in the bins which occupy the upper stories there are now about 90,000 bushels of wheat and 5000 Rye. The facilities for taking in, weighing, elevating and shipping Grain, are all of the most approved kind, and the various machinery moves like clock-work. Upwards of 12,000 bushels a day can be taken in from the street, weighed, elevated and put into vessels. The Warehouse and contents are well worth a visit.

Police Court—Feb. 20.

BEFORE CLINTON WALWORTH ESQ. POLICE JUSTICE

Several applications were made for warrants for cases which would require examinations. The Court referred them to the Grand Jury now in session.

Retirement of the Rev. Mr. Spencer.—At the last meeting of the Trustees of the First Presbyterian Church in this city the Rev. W. H. Spencer apprized them of his intention to leave Milwaukee on the 1st of April in order to enter upon the duties of Secretary of the Presbyterian Board of Publication at Philadelphia. Mr. Spencer will leave many friends in Milwaukee and will carry with him, to his new home, their warm wishes for his increased usefulness and continued prosperity.

Change of Landlords.—Mr. D. S. Pollitt, formerly of the Tremont House, has just taken possession of the Baltic House, and having newly fitted it up is prepared to accommodate the travelling public. Mr. Pollitt has long been known in Milwaukee as a Landlord, giving at all times satisfaction. A first rate Hostler will be engaged and every pains taken to make the "Baltic House" the best house in town for teamsters and Farmers.

A Large Melodeon.—The largest Melodeon, and the one having the most melody and power that we have seen, is at Hull's Book Store, corner of E. Water and Michigan Sts. It has two stops, and its power is equal to a small organ, and for a small country church it would be preferrable, its cost would not be one-third.

Ship Building in Milwaukee.—Capt. Jones, at his shipyard on the river, has two schooners, one of 250, and one of 125 tons on, the stocks. Capt Barber is about to lay the keels for a schooner of 130 tons and a sloop of 70, and several Norwegians are building, on their own hook, a schooner of 100 tons.

The Grand Jury.—The Grand Jury will probably adjourn to-day, but meet again to be finally discharged by the the court. Their investigation of the Carroll matter seems to be of little account, nothing except what the public have already been apprised of, having been elicited from the witnesses, his body is probably in the river.

Trap Shooting Match.—A Pigeon shooting match came off yesterday at Layton's Tavern, in which 140 pigeons were shot from a trap, many of the crack shots killing two from one shoulder-ing.

Dental.—Docter C. P. Fitch, a new comer among us, offers his services to such of our citizens as may need them. He brings good testimonials and refers to sundry gentlemen of our city as to his qualifications. See his card.

☞ The Cotillion Party given by Mr. G. H. Davis, at Concert Hall, last evening, was well attended, and passed off pleasantly. His parties are given every Wednesday evening.

The Weather.—The thaw, yesterday, was quite rapid and the snow wasted away sensibly under the warm sunshine. Towards night a South West wind and gathering clouds betokened a storm.

Spring Styles.—Messrs. Chandler & Jennings, at 199 East Water Street, are already in receipt, by Express, of some attractive Spring Styles, to which they invite public attention.

Milwaukee Female College.

The following Gentlemen were elected Trustees of the Milwaukee Female College, at the election yesterday afternoon:

I A Lapham	M B Medbury
W P Flanders	W E Cramer
J H Van Dyke	John Lockwood
John H Tweedy	S B Grant
E Cramer	Cicero Comstock
Wm P Lynde	John Cummings
E D Holton	A F Clarke
O H Waldo	

The members of the new Board are requested to meet at the office of Messrs Waldo & Ody, at 7 o'clock (Thursday) evening, to complete their organization and attend to some business of importance.

R. MENZIES, Secretary.

Information Wanted.—Of Patrick Connor and his wife Catherine Glastor; Natives of Ballyriabook, County Kerry, Ireland. They are requested to come to Milwaukee, where they will find their children, Mary and James, lately from Ireland, by applying to Martin Larkin, Second Street.

For the Sentinel.

Wisconsin Pork.

Messrs. Editors:

In one of your late numbers, a paragraph appeared copied from the Grant County Herald, entitled "Heavy Pork," saying that a man of that County butchered five hogs, 22 months old, weighing in the aggregate 2,290 pounds; the heaviest weighing 493.

While we, of Rock Prairie, do not claim to be more hoggish than the "rest of mankind," say, should probably, repel any such imputation attempted to be cast upon us, our modesty will not prevent us from saying, that, in the matter of GOOD, WELL-FATTED and HEAVY PORK, we think we can successfully compete with any other portion of this wide domain.

Now, for our story. F. B. Cook, of Johnstown, Rock County, fatted, and on the 1st day of February butchered 38 hogs, whose aggregate weight was 13 663 pounds, the weight ranging from 210 to 504 lbs. But one of them was over 19 months (and that one not the heaviest) and many of them but 17 months; 20 of them weighed 8,151 pounds, averaging 407 pounds.

The hogs were sold in Milwaukee and obtained the credit of being the best brought to that market the present season. If any locality turns out a better lot, then it will be time for "Rock Prairie" to put forth increased exertion.

D. R. S.

Senator Seward's Acceptance.—The following letter from Gov. Seward was read in both Houses of the New York Legislature on Thursday last:

Washington, Feb. 12, 1855.

To the Legislature of the State of New York:—

I have the honor to acknowledge the receipt of credentials showing that I have been chosen by your honorable body, a Senator of the State of New York, in the Congress of the United States, for a term of six years, to commence on the 4th day of March next.

I hope that in announcing my acceptance of this trust, I may be indulged with leave to say that, while the experience I have had here has not at all diminished my estimate of its magnitude and dignity, nor removed the self-distrust with which I assumed it, yet the generous confidence manifested by my fellow-citizens, in commanding me to continue in their service, inspires me with new zeal to maintain the rights and promote the interests of my native State in the National Councils, and to commend her enlightened policy and her principles of constitutional freedom to the favor of the American Union. I have the honor to be,

With the highest respect,

Your serv't and fellow-citizen,

WILLIAM H. SEWARD.

Republican Reform.—A bill has passed the Legislature appropriating $684,64 for the postage of the session up to the 11th inst. This is the entire amount of postage for the first month of the session. Last year no appropriation of the kind was made till the expiration of two months, when it amounted to $3,593,69. Halve this, and we have the average for one month of last session, $1,791,84. The account then stands thus:

Postage of 1 month of session of	1854,	$9,791,84
" " "	1855,	684,64
Balance in favor of Republican reform,		$1,107,20

It should be borne in mind that the expense of postage is but a small item in the ponderous aggregate of expenditures of which it is a part—the direct and indirect cost of extravagant orders of public printing and newspapers. A moderate postage bill indicates a great and important retrenchment in the matter of these orders.

Misrepresentation and slander are easy. The opposition press teems with falsehoods and perversions respecting the Republican Legislature. We point to these figures, and their irresistible logic, as a conclusive refutation of these calumnies.—[Madison Journal.

A New Lead.—We are informed that Messrs. Irving and Miller have struck a body of mineral which promises to be very large, on the famous East Ridge, on land owned by Gen. Jno. H. Rountree, about half a mile east of Platteville. They have raised some 20,000 pounds of mineral already two hands raising in one day some 5,000 lbs. These men are persevering miners, and have stuck to digging for some years, with great diligence. It is hoped by every good man they will husband well the proceeds.—Grant Co. Herald.

MARRIED.

In this city, on Tuesday, the 6th inst., Mr. F. O. DYKE, of the firm of Dyke & Hoffman, to Miss AMALIE WISE, all of Milwaukee

On Tuesday, February 20th, Mr. AUGUST WILKE, of St. Louis, to Miss AGATHA DYKE, of Milwaukee.

Guarantee Fund, $100,000, Deposited with the Comptroller of the State of New York.

The advantages offered by this Company are many, and the public are invited to call upon the Agent and make themselves acquainted with the System adopted by the Company, when they will be better able to decide whether Life Insurance is desirable or not, and at what Office it is their interest to insure.

The many reasons why Fire and Marine Insurance should be adopted, are incontrovertible; and Life Insurance, while it in no way interferes with, or undervalues these important institutions, has claims which no other system of insurance can have. Human existence must on consideration, enjoy a much higher estimation than worldly property.

While the representative of a family lives, (although, through neglect to insure his property, he becomes bankrupt,) he supports his family; but at his death, dies also their means of support, unless he has saved them from want by an insurance on his life, which may be done by the payment of a small annual premium, the payment of which has not diminished his own worldly comfort during life.

If young, the annual payment will be light, and if insured with profits, the policy will be constantly growing more valuable, though the premium is not increased.

Clergymen and others who have a stated and regular income, should insure, well knowing that, at their death their families may be left destitute,

Men engaged in mercantile or manufacturing pursuits ever varying and uncertain, in their issues, should insure.

The farmer who has still a mortgage on his farm, should insure, at least to the extent of it, thereby enabling his family to pay off the debt in case of his death.

A Wonderful Discovery has recently been made by Dr. Curtis, of this city, in the treatment of Consumption, Asthma and all diseases of the lungs. We refer to "Dr. Curtis's Hygeana, or Inhaling Hygean Vapor and Cherry Syrup." With this new method Dr. C. has restored many afflicted ones to perfect health; as an evidence of which, he has innumerable certificates. Speaking of the treatment a physician remarks:—It is evident that inhaling—constantly breathing an agreeable, healing vapor, the medical properties must come in direct contact with the whole of the aerial cavity of the lungs, and thus escape the many and varied changes produced upon them when introduced into the stomach, and subjected to the process of digestion. The Hygeana is for sale at all the druggists throughout the country.—New York Dutchman, Jan. 14th.

19 Spring Street, near the American House,
feb7 MILWAUKEE, WISCONSIN.

THE UNDERSIGNED WOULD RESPECTFULLY announce to the Public, that he has opened, on

Spring Street, Opposite the American House,
A NEW
PIANO FORTE WARE-ROOM!

Where he will keep on hand a good assortment of the celebrated

AMERICAN ACTION PIANO FORTES,

Manufactured by GEORGE HEWS, of Boston, Mass.

The Patent American Action Piano Forte is distinguished for its great fulness, richness and sweetness of tone, evenness of scale, and delicacy of touch. The improvement in the Action renders it less liable to derangement, and also greatly facilitates execution. Numerous medals, diplomas and certificates have been received from various fairs and industrial exhibitions in different cities of the Union, from the World's Fair at London, and flattering testimonials from the profession, residents at Boston and elsewhere, among which are the following:

From the illustrious Pianist, L. M. GOTTSCHALK, to Mr Hews, Agent at New York:
New York, Dec. 5, 1853.
Mr. N. J. CURTISS:—
Dear Sir: Having had the pleasure of performing upon Geo Hews' American Action Piano at the World's Fair in this city the present year, and other of his Pianos at your Wareroom, which afforded me much gratification, I cheerfully recommend them to the public. I am very glad of the improvement in the action. These instruments are also of excellent tone, owing, no doubt, to the perfection of the scales.
Very Respectfully, L. M. GOTTSCHALK.

From the distinguished Pianist, WILLIAM MASON:
Mr. HEWS:—Having repeatedly played upon the Piano Fortes manufactured by you, with the American Action, I am free to acknowledge, that for certainty and elasticity of action, power, purity and quality of tone, I have never seen them surpassed in the square Piano Forte.
WILLIAM MASON.

Purchasers and lovers of music in general, are respectfully invited to call and examine these instruments. These Pianos will be sold at Boston prices, and warranted to give satisfaction in every respect.
☞ Pianos to Let. Old Pianos taken in exchange, and liberal prices allowed.

There is reported a battle between Russians and Turks on the Danube, Turks victorious.—Also reported a mutiny of the Zouaves in the Crimea, and 600 sent to Constantinople.

Admiral Sir Charles Napier made a savage Speech against the Government. Nothing else interesting.

The *Baltic* left Liverpool in the P. M., on the 10th, and reached here this morning at 10 o'clock. She arrived out on the P. M., of the 7th. The City of Manchester arrived out on the same day, and was taken up by the British Government, to take troops to the Crimea.

MORE FIGHTING—WARLIKE PROSPECTS.

In the British Parliament, explanations had been made by the statesmen, failing to form the Cabinet.

Nearly THREE million sterling had been voted for War purposes.

The North American Fisheries bill had been passed.

Parliament adjourned for a week, at the request of Palmerston, and was to reassemble 15th inst.

The Earl of Aberdeen had been created Knight of the Garter.

The Lord Mayor of London had given a Grand Banquet, and among those present were Lord Cardigan, Sir Chas. Napier and other notables, from the Crimea and Baltic, who were received with enthusiasm. Sir Charles, in a long speech, defended himself and bitterly attacked the administration.

Menschikoff had gone northward. The Russians were constantly making sorties. Supplies were reaching the camp in abundance, but the army was still sickly. Siege works were progressing. Frosty nights and fine mild days prevailed.

The latest official despatches are to Jan. 24th. They alluded to the improvement in the weather and speak of resuming the work before the town with renewed activity. Telegraphic despatches come down to the 26th January, and are of a warlike character. A dispatch from Admiral Bruat says that the French batteries had received orders to re-open their fire, and that for some days Russians had ceased to make sorties. It is said the preparations for the assault are completed. The Russians are in want of supplies. A sortie was made on the 23d by the garrison of Sebastopol, and a great loss was sustained by the French.

The Zouaves are reported to have demanded a retreat from the Crimea, but the rumor of their mutiny is doubtless incorrect. An apology was made to Omar Pacha and he withdrew his resignation.

There is a report of a battle occurring on an attempt of the Russians to enter the Dobrudscha. The Russian Forces on the frontiers of Austria had been ordered to retreat to the interior.

The Peace conference has not yet commenced at Vienna.

France has signified her willingness to negotiate a separate Treaty with Russia, providing it conveys the same obligation as that of 22nd of December.

The feeling at Constantinople was strongly in favor of peace.

Holland and Denmark are seeking to join the Western Alliance.

Eight Austrian Merchant ships were fired into by the Russians in Galatia. Austria has demanded an explanation.

Earl Lucan has been recalled from command of the Cavalry in the Crimea.

The Sultan intends to raise a national volunteer corps.

Abdel Kader has asked command of the African troops in the Crimea.

English Missionaries in Poland have been ordered to leave the Russian Territories.

It is reported that the Emperor of France will take command of the Army of Operation on the Rhine.

The Prince Napoleon had arrived at Paris.

THE LATEST.—Queen Victoria has issued her Proclamation, forbidding British subjects, at home or abroad, aiding the enemy, by supplying him with ammunition.

The German Diet has decided to place the principal contingents upon a War footing.

In Piedmont the Chamber of Deputies had accepted the Treaty of Alliance.

Burning of a Poor House.

Buffalo, Feb. 21.

The Erie County Poor House was this morning totally destroyed by fire. The 600 inmates were all removed to a building near, occupied as an insane department. Loss not ascertained.—Fire supposed to have been caused by a defect in a chimney.

Sailing of the Atlantic—Washington News

New York, Feb. 21.

The steamship Atlantic sailed at noon to-day for Liverpool, with 60 passengers, including Madame Grisi and Signor Mario, and $139,600 in specie.

Washington, Feb. 21.

The Senate went into Executive session to-day and the nominations of Hiram S. Wilson, Judge of Northern District and H. H. Robinson as Marshal and J. Jewitt as District Attorney for the Southern District of Ohio, were unanimously confirmed.

The treaties with the King of the Netherland and also with the Kingdom of the two Sicilies, on the principle that free ships make free goods and several minor treaties were ratified.

A STRANGE THING.

Falsehood in these days is not strange. Imposition and fraud are not strange. But honesty and truth, especially in speculative business are wonderful. For this reason, Dr. A. L. Adams' Liver Balsam is fixing the gaze of thousands upon its sure, unvarying and surprising effects in the removal of disease. It promises and fulfills. It promotes excretion in unison with nature's own efforts, and thus expels the very impurities which, being retained, generates disease. This compound is considered by those who have used it the greatest medical discovery known. Its praise is declared from the North, the South, and from the East to the West. It is true! It is true!

CITY LAND OFFICE.

I HAVE SEVERAL HOUSES IN THE FIRST Ward for sale on good terms, and would advise those who wish to purchase a home, to do so before Spring opens, for property must and will be 50 per cent higher. The demand for Houses will be ahead of anything we have ever had, owing to the immense emigration from our own Eastern people. I receive letters every day, making enquiries about property, houses, &c.

I state these facts that any who have not yet obtained themselves a home, better do so at once; and if they will not take my advice, they must abide the consequences.

I have also a large number of choice Lots in the First Ward, which will be sold at fair prices and on easy terms. My Office, at present, is on Wisconsin st.

They may be taken with perfect safety, and a certainty of effecting a cure, by persons suffering from general debility, sick headaches, diseases of the stomach, bile or liver complaints, and those who are predisposed to dropsy, cannot use a more effectual remedy than Holloway's Pills, for acting as they do upon the main spring of life, disease cannot easily resist their influence. Spring Street, Opposite the American House,
A NEW
PIANO FORTE WARE-ROOM!
Where he will keep on hand a good assortment of the celebrated
AMERICAN ACTION PIANO FORTES,
Manufactured by GEORGE HEWS, of Boston, Mass.
The Patent American Action Piano Forte is distinguished for its great fullness, richness and sweetness of tone, evenness of scale, and delicacy of touch. The improvement in the Action renders it less liable to derangement, and also greatly facilitates execution. Numerous medals, diplomas and certificates have been received from various fairs and industrial exhibitions in different cities of the Union, from the World's Fair at London, and flattering testimonials from the profession, residents at Boston and elsewhere, among which are the following:
From the illustrious Pianist, L. M. GOTTSCHALK, to Mr HEWS, Agent at New York:
NEW YORK, Dec. 5, 1853.
MR. N. J. CURTISS:—
Dear Sir: Having had the pleasure of performing upon Geo Hews' American Action Piano at the World's Fair in this city the present year, and other of his Pianos at your Wareroom, which afforded me much gratification, I cheerfully recommend them to the public. I am very glad of the improvement in the action. These instruments likewise are of excellent tone, owing, no doubt, to the perfection of the scales.
Very Respectfully, L. M. GOTTSCHALK.
From the distinguished Pianist, WILLIAM MASON:
MR. HEWS:—Having repeatedly played upon the Piano Fortes manufactured by you, with the American Action, I am free to acknowledge, that for certainty and elasticity of action, power, purity and equality of tone, I have never seen them surpassed in the square Piano Forte.
WILLIAM MASON.
Purchasers and lovers of music in general, are respectfully invited to call and examine these instruments. These Pianos will be sold at Boston prices, and warranted to give satisfaction in every respect.
Pianos to Let. Old Pianos taken in exchange, and liberal prices allowed.

Palmerston is Premier—Lord Panmore, Minister of War—Clarendon, Foreign affairs—Granville, President of Council. F. A. A.

[REPORTED FOR THE SENTINEL.]

Arrival of the Baltic—The new Ministry The Markets.

New York, Feb 21.

The *Baltic* arrived at 1 P. M. A new Ministry had been formed. Premier, Lord Palmerston; Secretary of War, Lord Panmure, formerly Fox Maule; Foreign Secretary of State, Earl Clarendon; Home Secretary, Sidney Herbert; Colonial Secretary, Sir George Grey; Secretary of Treasury, Mr. Gladstone; Secretary of Admiralty, Sir James Graham, Chancellor, Lord Cranworth. President of Council, Earl Granville; Privy Seal Duke of Argyle, Public Works, Sir W. Molesworth; President Board of Control, Sir Charles Wood Postmaster General, Lord Cummings.

The above form the Cabinet. Aberdeen, Newcastle and Russell go out. Panmure, a new man, comes in, and the balance are as in the last Ministry. Very little other news.

VIENNA.—Peace conference not yet opened.—Affairs in the Crimea unchanged.

There is reported a battle between Russians and Turks on the Danube. Turks victorious.—Also reported a mutiny of the Zouaves in the Crimea, and 600 sent to Constantinople.

Admiral Sir Charles Napier made a savage Speech against the Government. Nothing else interesting.

The *Baltic* left Liverpool in the P. M., on the 10th, and reached here this morning at 10 o'clock. She arrived out on the P. M., of the 7th. The City of Manchester arrived out on the same day, and was taken up by the British Government, to take troops to the Crimea.

In the reconstruction of the British cabinet, the Earl of DERBY, the Marquis LANSDOWNE, Lord JOHN RUSSELL, and Earl CLARENDON were successively sent for by the QUEEN, but all failed to form a cabinet, when Lord PALMERSTON was called in and succeeded.

LIVERPOOL MARKET.—Brown, Shipley & Co., report the common sales, 36,000 bales cotton Corn market dull and limited business, but unchanged; western 42s a42.6d; Ohio 44s a45s6d; common 42.6d a44s. Wheat—12s a12.6d.

[REPORTED FOR THE SENTINEL.]

Details by the Baltic.

MORE FIGHTING—WARLIKE PROSPECTS.

In the British Parliament, explanations had been made by the statesmen, failing to form the Cabinet.

Nearly THREE million sterling had been voted for War purposes.

The North American Fisheries bill had been passed.

Parliament adjourned for a week, at the request of Palmerston, and was to reassemble 15th inst.

The Earl of Aberdeen had been created Knight of the Garter.

The Lord Mayor of London had given a Grand Banquet, and among those present were Lord Cardigan, Sir Chas. Napier and other notables, from the Crimea and Baltic, who were received with enthusiasm. Sir Charles, in a long speech, defended himself and bitterly attacked the administration.

Menschikoff had gone northward. The Russians were constantly making sorties. Supplies were reaching the camp in abundance, but the army was still sickly. Siege works were progressing. Frosty nights and fine mild days prevailed.

The latest official despatches are to Jan. 24th. They alluded to the improvement in the weather and speak of resuming the work before the town with renewed activity. Telegraphic despatches come down to the 26th January, and are of a warlike character. A dispatch from Admiral Bruat says that the French batteries had received orders to re-open their fire, and that for some days Russians had ceased to make sorties. It is said the preparations for the assault are completed. The Russians are in want of supplies. A sortie was made on the 23d by the garrison of Sebastopol, and a great loss was sustained by the French.

The Zouaves are reported to have demanded a retreat from the Crimea, but the rumor of their mutiny is doubtless incorrect. An apology was made to Omar Pacha and he withdrew his resignation.

There is a report of a battle occurring on an attempt of the Russians to enter the Dobrudscha. The Russian Forces on the frontiers of Austria had been ordered to retreat to the interior.

The Peace conference has not yet commenced at Vienna.

France has signified her willingness to negotiate a separate Treaty with Russia, providing it conveys the same obligation as that of 22nd of December.

The feeling at Constantinople was strongly in favor of peace.

Holland and Denmark are seeking to join the Western Alliance.

Eight Austrian Merchant ships were fired into by the Russians in Galatia. Austria has demanded an explanation.

Earl Lucan has been recalled from command of the Cavalry in the Crimea.

The Sultan intends to raise a national volunteer corps.

Abdel Kader has asked command of the African troops in the Crimea.

English Missionaries in Poland have been ordered to leave the Russian Territories.

It is reported that the Emperor of France will take command of the Army of Operation on the Rhine.

The Prince Napoleon had arrived at Paris.

THE LATEST.—Queen Victoria has issued her Proclamation, forbidding British subjects, at home or abroad, aiding the enemy, by supplying him with ammunition.

The German Diet has decided to place the principal contingents upon a War footing.

In Piedmont the Chamber of Deputies had accepted the Treaty of Alliance.

Burning of a Poor House.

Buffalo, Feb. 21.

The Erie County Poor House was this morning totally destroyed by fire. The 600 inmates were all removed to a building near, occupied as an insane department. Loss not ascertained.—Fire supposed to have been caused by a defect in a chimney.

Sailing of the Atlantic—Washington News

New York, Feb. 21.

The steamship Atlantic sailed at noon to-day for Liverpool, with 60 passengers, including Madame Grisi and Signor Mario, and $139,600 in specie.

Washington, Feb. 21.

The Senate went into Executive session to-day and the nominations of Hiram S. Wilson, Judge of Northern District and H. H. Robinson as Marshal and J. Jewitt as District Attorney for the Southern District of Ohio, were unanimously confirmed.

The treaties with the King of the Netherland and also with the Kingdom of the two Sicilies, on the principle that free ships make free goods, and several minor treaties were sent in.

A STRANGE THING.
Falsehood in these days is not strange. Imposition and fraud are not strange. But honesty and truth, especially in speculative business are wonderful. For this reason, Dr. A. L. ADAMS' LIVER BALSAM is fixing the gaze of thousands upon its sure, unvarying and surprising effects in the removal of disease. It promises and fulfills. It promotes excretion in union with nature's own efforts, and thus expels the very impurities which, being retained, generates disease. This compound is considered by those who have used it the greatest medical discovery known. Its praise is declared from the North the South, and from the East to the West. It is true! It is true!

I HAVE SEVERAL HOUSES IN THE FIRST Ward for sale on good terms, and would advise those who wish to purchase a home to do so before Spring opens, for property must and will be 50 per cent higher. The demand for houses will be ahead of anything we have ever had, owing to the immense emigration from our own Eastern people. I receive letters every day, making enquiries about property, houses, &c.
I state these facts that any who have not yet obtained themselves a home, better do so at once; and if they will not take my advice, they must abide the consequences.
I have also a large number of choice Lots in the First Ward, which will be sold for fair prices and on easy terms. My Office, at present, is on Wisconsin st.

OPPOSITION TO MONOPOLY.

Music at Greatly Reduced Rates

NOTWITHSTANDING the combination of music dealers to keep up the prices of non-copyright music, against the interests of native composers and their refusal to extend to Mr. Waters the courtesies of the trade, he is making immense sales—having abundant evidence that he has public countenance and support in his opposition to the Great Monopoly, and in his efforts to aid Native Talent, and to adopt the National Currency. His stock of American and European music is immense, and the catalogue of his own publications is one of the largest and best selected in the United States. He has also made a Great Reduction in the prices of Pianos, Melodeons, and Musical Instruments of all kinds. Superior toned 6½ octave Pianos for $175, $200 and $225, interior of as good quality, and instruments as strong and as durable as those which cost $500. Pianos of every variety of style and price up to $1000, comprising those of ten different manufactories, among them the celebrated modern improved Horace Waters Pianos, and the first premium Æolian Pianos of T. Gilbert & Co's make, (owner of the Æolian patent.) Second hand Pianos at great bargains. Prices from $40 to $150. Melodeons from five different manufactories, including the well known S. D. & H. W. Smith's melodeons (tuned the equal temperament), the best make in the United States. Prices $45, $60, $75, $100, $115, $125, and $150. Smith's Double Bank Melodeons, $200. Each Piano and Melodeon guaranteed. The best terms to the trade, schools, &c. 12½ per cent discount to clergymen and churches. All orders promptly attended to. Magic Impression Paper!

For Writing without Pen or Ink, Copying Leaves, Plants, Flowers, Pictures, Patterns for Embroideries, Marking Linen indelibly, and

MANIFOLD WRITING.

THIS ARTICLE IS ABSOLUTELY THE BEST FOR table Inkstand in the known world for a small quantity folded and placed in the pocket constitutes a traveling inkstand which cannot be broken. No pen is needed, for any stick sharpened to a point, writes equally as well as the best gold pen in the universe. For drawing it is indispensable. It is, indeed, the whole art of Drawing and Painting—taught in ONE LESSON. Any leaf, plant or flower can be transferred to the pages of an album with a minute and distinct resemblance of nature. With equal facility, pictures and embroidery patterns are taken, and have received the highest eulogiums from the fair sex, and, indeed, a more tasteful present for a lady could not be produced.

This Magic Paper will also mark Linen, or other articles, so as to remain perfectly indelible. All the washing in the world fails to bring it out. Any child can use it with perfect ease. With this Magic Paper, likewise, one or four copies of every letter written can be secured without any additional labor whatever, making it the cheapest article extant. It is used to great advantage by reporters of the public press, telegraphic operators and hosts of others.

Each package contains four different colors—Black, Blue, Green, and Red, with full and printed instructions, for all to use, and will last sufficiently long to obtain Five Hundred distinct Impressions.

It is put up in beautifully enamelled, colored envelopes, with a truthful likeness of the Proprietor attached. Each and every package warranted.

Price—$2 a Dozen or, Five for One Dollar. Single Packages 25 Cents. Address post paid,

PATENT MEDICINES.

MEXICAN MUSTANG LINIMENT

THIS EXTRAORDINARY MEDICINE IS STILL working wonders throughout the World—eradicating everything in the form of disease that comes within the circle of its influence.

The People Themselves

have long since adopted it as the only external remedy they could rely upon, and the indisputable testimony of thousands is fast sweeping away

The Prejudices of the Faculty.

It is extensively used by the Ladies,
It is used by Mechanics and Laboring men,
It is used in families and factories,
It is used expressly by all Express Companies,
It is used by Farmers and Livery stable keepers,
It is used by everybody, and all speak in its praise,
Where it is used pain cannot exist,
The benumbed limbs are made elastic,
The deep ulcers and frightful sores are healed,
The unstrung nerves are made to vibrate with joy!

Use the Mustang Liniment.

is the spontaneous advice of all.

It has cured more cases of

Rheumatism

than any other medicine ever used. Its efficacy in this terrible disease is acknowledged by all who have used it. It not only cures the complaint, but appears to give vigor and elasticity to the limbs, before unknown—thus performing a double office.

For contractions of the limbs, stiffness of the joints and muscles, hard lumps, swellings and inflammations, it is unrivalled in the power and efficacy of its operations.

For Bruises, Sprains, Cuts, Scalds and Burns, but a few applications are necessary in order to effect a total cure.

Cancer, or Scrofulous Sores, Tetter, Ringworms, Salt Rheum, Scurvy, Erysipelas, Boils, and Eruptions,

can generally be removed in a few days—and the worst cases can be cured in a few weeks at the farthest. For sons afflicted with these diseases, should be careful in getting the right article to cure them.

Use it upon Your Horses,

for spavin, splint, ring bone, fistula, wind galls, big heads, bruises, strains string halt, scratches, cracked heels, sweeney, saddle, collar, or harness galls, hard lumps or tumors film or other diseases of the eye, poll evil, &c.

The finest horses in the city of New York will be found in the stables of the various Express Companies—and they all use

The Mustang Liniment,

totally discarding any other preparations of the kind, and have all given their certificate in its favor.

This we presume will be a sufficient guarantee to induce every one who owns a horse, to give the Mustang a trial.

THERE is no Druggist or Country Store Keeper
Who pretends to keep medicine at all,
But what keeps a constant supply of the

Mexican Mustang Liniment.

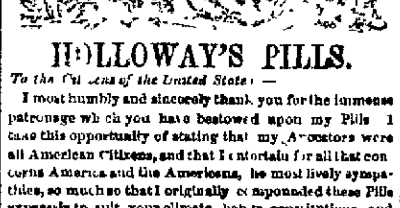

The small size retail for 25 cents per bottle,
The medium sized retail for 50 cents per bottle,
The large sized retail for one dollar per bottle,
The medium hold three times as much as the small
The large holds nearly three times as much as the medium,
Therefore the largest bottles are the cheapest.

☞ THE MUSTANG LINIMENT is sold at all of the Drug Stores in Milwaukee, and by storekeepers and druggists generally all over the State of Wisconsin. Principal Wholesale Agents in Milwaukee—also & Hopkins, Seth Johnson Jr, Bosworth & Son, Lewis Jr, and A. F. Clark. dec28 dwtf

THE AMERICAN'S FRIEND!

HOLLOWAY'S PILLS.

To the Citizens of the United States:—

I most humbly and sincerely thank you for the immense patronage which you have bestowed upon my Pills. I take this opportunity of stating that my Ancestors were all American Citizens, and that I entertain for all that concerns America and the Americans, the most lively sympathies, so much so that I originally compounded these Pills expressly to suit your climate, habits, constitutions, and manner of living, intending to establish myself among you, which I have now done, by taking premises in New York. THOMAS HOLLOWAY,

38, Corner of Ann and Nassau Streets, New York.

THE BLOOD, LIVER AND BILIOUS COMPLAINTS

The Citizens of the Union suffer much from disorders of the Liver and Stomach. The fair sex perhaps, the most handsome in the World at a certain period, lose their teeth and good looks while yet in the hey day of life. These evils may be effectually remedied by continually keeping the blood pure and the Liver and Stomach in a healthy action, when life will flow smoothly. I say fearlessly, that health and life may be prolonged for years beyond the ordinary limits, if Holloway's Pills are taken to purify the blood, in accordance with the directions which accompany each Box.

CURE OF WEAKNESS & DEBILITY OF TEN YEARS STANDING.

Captain John Johnson, of Astor House, New York, suffered for ten years from a derangement of the Liver and Stomach, and was so reduced in strength that he never expected to see any more, having tried every known remedy without deriving benefit. At last he had recourse to Holloway's Pills, which completely cured him, after using them for three months, and he now enjoys the sound est health.

These celebrated Pills are wonderfully efficacious in the following complaints:—

Ague	Dropsy	Liver Complaints	Secondary Symptoms
Asthma	Dysentery		
Bilious Complaints	Erysipelas	Lumbago	Tic Douloureux
	Female Irregularities	Piles	Tumours
Blotches on the Skin		Rheumatism	Ulcers
	Fevers of all kinds	Retention of Urine	Venereal Affections
Bowel Complaints	Fits	Scrofula or King's Evil	Worms of all kinds
Colics	Gout		
Constipation of the Bowels	Head ache	Sore Throats	Weakness from whatever cause, &c.
	Indigestion	Stone and Gravel	
Consumption	Inflammation		
Debility	Jaundice		

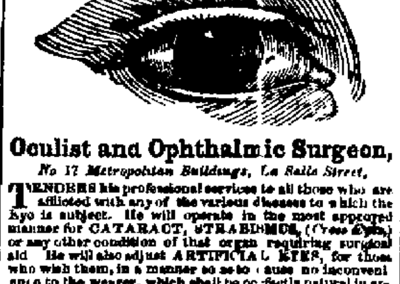

*** SOLD AT THE ESTABLISHMENT OF PROFESSOR HOLLOWAY 38, Corner of Ann and Nassau Streets, New York, also by all respectable Druggists and Dealers in Medicines throughout the United States, in Boxes, at 37½ cents, 87 cents, and $1,50 cents each. To be had Wholesale of the principal Drug Houses in the Union.

☞ There is a considerable saving by taking the larger sizes.

N B.—Directions for the guidance of patients in every disorder are affixed to each Box.

PATENT MEDICINES.

AYER'S

CHERRY PECTORAL,

For the rapid Cure of

COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

AMONG the numerous discoveries Science has made in this generation to facilitate the business of life—increase its enjoyments, and even prolong the term of human existence, none can be named of more real value to mankind, than this contribution of Chemistry to the Healing Art. A vast trial of its virtues throughout this broad country, has proven beyond a doubt that no medicine or combination of medicines yet known, can so surely control and cure the numerous varieties of pulmonary disease which have hitherto swept from our midst thousands and thousands every year. Indeed, there is now abundant reason to believe a Remedy has at length been found which can be relied on, to cure the most dangerous affections of the lungs. Our space here will not permit us to publish any proportion of the cures effected by its use, but we would present the following, and refer further enquiry to my American Almanac, which the Agents below named, will always be pleased to furnish free, wherein are all particulars, and indisputable proof of these statements.

Office of Transportation, Laurens R R, S C, Aug 4, '53

DR J C AYER—Dear Sir—My little son, four years old, has just recovered from a severe attack of malignant Scarlet Fever, his throat was rotten and every person that visited him pronounced him a dead child. Having used your CHERRY PECTORAL, in California, in the winter of 1850, for a severe attack of Bronchitis, with entire success, I was induced to try it on my little boy. I gave him a teaspoonful every three hours, commencing in the morning, and by 10 o'clock at night, I found a decided change for the better, and after three days use, he was able to eat or drink without pain.

Its use in the above named disease will save many a child from a premature grave, and relieve the anxiety of many a fond parent. For all affections of the Throat and Lungs I believe it is the best medicine extant. A feeling of the deepest gratitude prompts me in addressing you these lines—but for your important discovery, my little boy would now have been in another world.

I am yours, with great respect,

Rocky Hill, Somerset Co., N. J., July 21, 1852.

DR J C AYER —Since your medicine has become known here it has a greater demand than any other cough remedy, we have ever sold. It is spoken of in terms of unmeasured praise by those who have used it, and I know of some cases where the best they can say of it is not too much for the good it has done. I take pleasure in selling it, because I know that I am giving my customers the worth of their money, and I feel gratified in seeing the benefit it confers.

Please send me a further supply and believe me
Yours with respect, JOHN C. WHITLOCK.

DR J C AYER—Sir —This may certify that I have used your CHERRY PECTORAL for upwards of a year, and it is my sincere belief that I should have been in my grave ere this time if I had not. It has cured me of a dangerous affection of the lungs, and I do not overstate my conviction when I tell you it is a priceless remedy.

Yours very respectfully,
D. A. McCLURE, Attorney at Law

Wilkesbarre, Pa. Sept 28, 1850

DR J C AYER—My dear sir—Your medicine is much approved by those who have used it here, and its composition is such as to insure and maintain its reputation. I invariably recommend it for pulmonary affections, as do many of our principal physicians. I am your friend,

MEDICATED INHALATION

A NEW METHOD.

A MOST WONDERFUL DISCOVERY has recently been made by Dr CURTIS, for the cure of Asthma, Consumption, Bronchitis, Coughs, Colds, and all Lung Complaints, by Medicated Inhalation. Dr CURTIS' HYGEANA, or INHALING HYGEAN VAPOR and CHERRY SYRUP, has accomplished the most wonderful cures of Asthma and Consumption in the City of New York and vicinity for a few months past, ever known to man.—It is producing an impression on Diseases of the Lungs never before witnessed by the medical profession. [See certificates in hands of Agents.]

The Inhaler is worn on the breast, under the linen, without the least inconvenience, the heat of the body being sufficient to evaporate the fluid,—supplying the lungs constantly with a healing and agreeable vapor, passing into all the air cells and passages of the lungs that cannot possibly be reached by any other medicine. Here is a case of

ASTHMA CURED.

BROOKLYN, N. Y., Dec 20th, 1853

For about eight years I have been severely affected with the Asthma, for the last two years I have suffered beyond all my powers of description, months at a time I have not been able to sleep in a bed, getting what rest I could sitting in my chair. My difficulty of breathing, and my sufferings, were so great at times, that for hours together my friends expected each hour would be my last. During the past six years I have had the aid and attendance of some of the most celebrated physicians, but I have received no permanent benefit, and but little relief. I at length had the good fortune to procure Dr. Curtis's Hygeana or Inhaling Hygean Vapor and Cherry Syrup. At the time I first obtained it, I was suffering under one of my most violent attacks, and was in great distress, almost suffering for want of breath. In less than ten minutes from the time I applied the Inhaler to my stomach, and took a teaspoonful of the Cherry Syrup, I was relieved in a great measure from the difficulty of breathing, and had a comfortable night. I have since continued it with the greatest possible benefit, and am now comparatively well. God only knows the amount of suffering this medicine has relieved me from. My advice to the suffering is,—TRY IT.

CONSUMPTION CURED.

NEW YORK, Dec 27th, 1853.

I came to New York in the ship Telegraph, my native place is St John, New Brunswick, when I reached this city, my health was very poor, had a very bad cough, raised a great deal of matter, which was frequently mixed with blood, had pain in my left side, and was very weak and emaciated. My friends and physician pronounced my case Consumption, and beyond the reach of medicine. I accidentally heard of Dr Curtis's Hygeana, or Inhaling Hygean Vapor and Cherry Syrup, and obtained a package, which I verily believe was the means of saving my life.—Soon after wearing the Inhaler, I found it relieved the pressure on my lungs, and after a while the disease made its appearance upon the surface under the Inhaler. I took the Cherry Syrup as directed, and continued to do so, my cough gradually growing better, until it entirely left me, and I now consider myself cured. I still wear the Inhaler, as the use of it is rather pleasant, and believing it strengthening and purifying to the lungs, I feel unwilling at present to dispense with it. JOHN WOOD

MEDICATED INHALATION!

CONSUMPTION CAN BE CURED, AS TREATED BY

DR. E. N. TRIST,

WITH HIS CELEBRATED

HYGEN & OXYGENIC VAPOR!

DR TRIST, Graduate of the Royal College of Surgeons in London, and the recipient of diplomas from the Army Institution of Edinburgh, and Hotel des Invalides of Paris, having settled permanently in New York for the practice of his profession, begs leave to suggest to the citizens of the United States that several years of study and successful experiments in England and Scotland, as well as other parts of Europe, with Consumption in all its forms, enable him to warrant, not only relief, but a complete cure to all those suffering with this great national disease.

Dr TRIST deems it unprofessional to advertise, but others having represented themselves as the originators of the Inhalation Treatment, he would say to the afflicted that he alone is entitled to its first introduction, and would caution all against using the useless and dangerous compounds advertised by incompetent persons.

"Take up thy bed and walk"

Dr TRIST would say to those interested that he has had manufactured, for the use of his patients, his Patent Inhaling Tubes, through which the vapor is conveyed to the parts affected, and which he earnestly commends for the cheering results which have attended their use, and the fact that they may be used by the most feeble in valid without any unpleasant symptoms.

To those residing out of the city, Dr Trist will forward one of the Inhaling Tubes, together with a package of the Vapor, sufficient to last for three months, accompanied with ample directions for use, on receipt of a letter containing Ten Dollars, and describing symptoms.

A cure is warranted in all stages of Consumption, Bronchitis, Asthma, and all other affections of the Throat, Lungs and Air Passages. In case of failure, the money will be returned.

PATENT MEDICINES.

MEXICAN MUSTANG LINIMENT

THIS EXTRAORDINARY MEDICINE IS STILL working wonders throughout the World—eradicating everything in the form of disease that comes within the circle of its influence.

The People Themselves

have long since adopted it as the only external remedy they could rely upon, and the indisputable testimony of thousands is fast sweeping away

The Prejudices of the Faculty.

It is extensively used by the Ladies,
It is used by Mechanics and Laboring men,
It is used in families and factories,
It is used expressly by all Express Companies,
It is used by Farmers and Livery stable keepers,
It is used by everybody, and all speak in its praise,
Where it is used pain cannot exist,
The benumbed limbs are made elastic,
The deep ulcers and frightful sores are healed,
The unstrung nerves are made to vibrate with joy!

Use the Mustang Liniment.

is the spontaneous advice of all

It has cured more cases of

Rheumatism

than any other medicine ever used. Its efficacy in this terrible disease is acknowledged by all who have used it. It not only cures the complaint, but appears to give vigor and elasticity to the limbs, before unknown—thus performing a double office.
For contractions of the limbs, stiffness of the joints and muscles, hard lumps, swellings and inflammations, it is unrivalled in the power and efficacy of its operations.
For Bruises, Sprains, Cuts, Scalds and Burns, but a few applications are necessary in order to effect a total cure.

Cancer, or Scrofulous Sores, Tetter, Ringworms, Salt Rheum, Scurvy, Erysipelas, Boils, and Eruptions,

can generally be removed in a few days—and the worst cases can be cured in a few weeks at the farthermost. Persons afflicted with these diseases, should be careful in getting the right article to cure them.

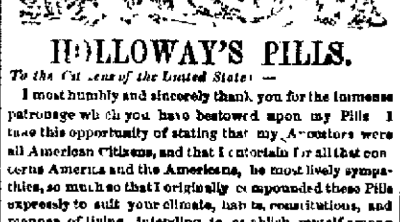

Use it upon Your Horses,

for spavin, splint, ring bone, fistula, wind galls, big heads, bruises, strains string halt, scratches, cracked heels, sweeney, saddle, collar, or harness galls, hard lumps or tumors film or other diseases of the eye, poll evil, &c.
The finest horses in the city of New York will be found in the stables of the various Express Companies—and they all use

The Mustang Liniment,

totally discarding any other preparations of the kind, and have all given their certificate in its favor.
This we presume will be a sufficient guarantee to induce every one who owns a horse, to give the Mustang a trial.
THERE is no Druggist or Country Store keeper
Who pretends to keep medicine at all,
But what keeps a constant supply of the
Mexican Mustang Liniment.
The small size retail for 25 cents per bottle,
The medium sized retail for 50 cents per bottle,
The large sized retail for one dollar per bottle,
The medium hold three times as much as the small
The large holds nearly three times as much as the medium,
Therefore the largest bottles are the cheapest.
GEO W WESTBROOK
(successor to A G Bragg & Co,)
Originator and Sole Proprietor.
Principal Offices, 304 Broadway, New York, and corner of Third and Market Sts, St Louis, Mo.
THE MUSTANG LINIMENT is sold at all of the Drug Stores in Milwaukee, and by storekeepers and druggists generally all over the State of Wisconsin. Principal Wholesale Agents in Milwaukee—Hopkins & Hopkins, Seth Johnson Jr, Bosworth & Son, ... Jr, and A F Clark. dec28 dwtf

THE AMERICAN'S FRIEND!

HOLLOWAY'S PILLS.

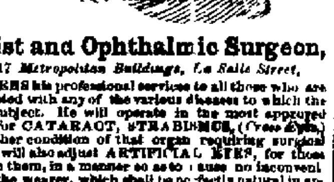

To the Citizens of the United States —
I most humbly and sincerely thank you for the immense patronage which you have bestowed upon my Pills. I take this opportunity of stating that my Ancestors were all American Citizens, and that I entertain for all that concerns America and the Americans, the most lively sympathies, so much so that I originally compounded these Pills expressly to suit your climate, habits, constitutions, and manner of living, intending to establish myself among you, which I have now done, by taking premises in New York. THOMAS HOLLOWAY,
38, Corner of Ann and Nassau Streets, New York.

THE BLOOD, LIVER AND BILIOUS COMPLAINTS
The Citizens of the Union suffer much from disorders of the Liver and Stomach. The fair sex perhaps, the most handsome in the World at a certain period, lose their teeth and good looks while yet in the hey day of life. Those evils may be effectually remedied by continually keeping the blood pure and the Liver and Stomach in a healthy action, when life will flow smoothly. I say fearlessly, that health and life may be prolonged for years beyond the ordinary limits, if Holloway's Pills are taken to purify the blood, in accordance with the directions which accompany each Box.
CURE OF WEAKNESS & DEBILITY OF TEN YEARS STANDING.
Captain John Johnson, of Astor House, New York, suffered for ten years from a derangement of the Liver and Stomach, and was so reduced in strength that he never expected to go to sea any more, having tried every known remedy without deriving benefit. At last he had recourse to Holloway's Pills, which completely cured him, after using them for three months, and he now enjoys the sound est health.
These celebrated Pills are wonderfully efficacious in the following complaints: —

Ague	Dropsy	Liver Complaints	Secondary Symptoms
Asthma	Dysentery	Lumbago	Tic Douloureux
Bilious Complaints	Erysipelas	Piles	Tumours
Blotches on the Skin	Female Irregularities	Rheumatism	Ulcers
Bowel Complaints	Fevers of all kinds	Retention of Urine	Venereal Affections
Colics	Fits	Scrofula or King's Evil	Worms of all kinds
Constipation of the Bowels	Gout	Sore Throats	Weakness from what ever cause, &c.
Consumption	Head ache	Stone and Gravel	
Debility	Indigestion		
	Inflammation		
	Jaundice		

** SOLD AT THE ESTABLISHMENT OF PROFESSOR HOLLOWAY, 39, Corner of Ann and Nassau Streets, New York, also by all respectable Druggists and Dealers in Medicines throughout the United States, in Boxes, at 37½ cents, 87 cents, and $1,50 cents each. To be had Wholesale of the principal Drug Houses in the Union.
There is a considerable saving by taking the larger sizes.
N B —Directions for the guidance of patients in every disorder are affixed to each Box.

PATENT MEDICINES.

AYER'S CHERRY PECTORAL,

For the rapid Cure of

COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

AMONG the numerous discoveries Science has made in this generation to facilitate the business of life—increase its enjoyments, and even prolong the term of human existence, none can be named of more real value to mankind, than this contribution of Chemistry to the Healing Art. A vast trial of its virtues throughout this broad country, has proven beyond a doubt that no medicines or combination of medicines yet known, can so surely control and cure the numerous varieties of pulmonary disease which have hitherto swept from our midst thousands and thousands every year. Indeed, there is now abundant reason to believe a Remedy has at length been found which can be relied on, to cure the most dangerous affections of the lungs. Our space here will not permit us to publish any proportion of the cures effected by its use, but we would present the following, and refer further enquiry to my American Almanac, which the Agents below named, will always be pleased to furnish free, wherein are all particulars, and indisputable proof of these statements.
Office of Transportation, Laurens R R, S C, Aug 4,'53
DR J C AYER. Dear Sir—My little son, four years old, has just recovered from a severe attack of malignant Scarlet Fever, his throat was rotten and every person that visited him pronounced him a dead child. Having used your CHERRY PECTORAL, in California, in the winter of 1850, for a severe attack of Bronchitis, with entire success, I was induced to try it on my little boy. I gave him a teaspoonful every three hours, commencing in the morning, and by 10 o'clock at night, I found a decided change for the better, and after three days use, he was able to eat or drink without pain.
Its use in the above named disease will save many a child from a premature grave, and relieve the anxiety of many a fond parent. For all affections of the Throat and Lungs I believe it is the best medicine extant. A feeling of the deepest gratitude prompts me in addressing you these lines—but for your important discovery, my little boy would now have been in another world.
I am yours, with great respect,
J D POWELL, Supt T. Lau. L R R
Rocky Hill, Somerset Co, N J July 21, 1852
DR J C AYER.—Since your medicine has become known here it has a greater demand than any other cough remedy, we have ever sold. It is spoken of in terms of unmeasured praise by those who have used it, and I know of some cures where the best they can say of it is not too much for the good it has done. I take pleasure in selling it, because I know that I am giving my customers the worth of their money, and I feel gratified in seeing the benefit it confers.
Please send me a further supply and believe me
Yours with respect, JOHN C WHITLOCK.

DR J C AYER—Sir—This may certify that I have used your CHERRY PECTORAL for upwards of a year, and it is my sincere belief that I should have been in my grave ere this time if I had not. It has cured me of a dangerous affection of the lungs, and I do not overstate my convictions when I tell you it is a priceless remedy.
Yours very respectfully,
D A McCLURE, Attorney at Law

MEDICATED INHALATION

A NEW METHOD.

A MOST WONDERFUL DISCOVERY has recently been made by Dr CURTIS, for the cure of Asthma, Consumption, Bronchitis, Coughs, Colds, and all Lung Complaints, by Medicated Inhalation. Dr CURTIS'S HYGEANA, or INHALING HYGEAN VAPOR and CHERRY SYRUP, has accomplished the most wonderful cures of Asthma and Consumption in the City of New York and vicinity for a few months past, ever known to man—It is producing an impression on Diseases of the Lungs never before witnessed by the medical profession. [See certificates in hands of Agents.]
The Inhaler is worn on the breast, under the linen, without the least inconvenience, the heat of the body being sufficient to evaporate the fluid,—supplying the lungs constantly with a healing and agreeable vapor, passing into all the air cells and passages of the lungs that cannot possibly be reached by any other medicine. Here is a case of

ASTHMA CURED.

BROOKLYN, N Y, Dec 20th, 1853
For about eight years I have been severely afflicted with the Asthma, for the last two years I have suffered beyond all my powers of description, months at a time I have not been able to sleep in a bed, getting what rest I could sitting in my chair. My difficulty of breathing, and my sufferings, were so great at times, that for hours together my friends expected each hour would be my last. During the past six years I have had the aid and attendance of some of the most celebrated physicians, but have received no permanent benefit, and but little relief. I at length had the good fortune to procure Dr Curtis's Hygeana, or Inhaling Hygean Vapor and Cherry Syrup. At the time I first obtained it, I was suffering under one of my most violent attacks, and was in great distress, almost suffering for want of breath. In less than ten minutes from the time I applied the Inhaler to my stomach, and took a teaspoonful of the Cherry Syrup, I was relieved in a great measure from the difficulty of breathing, and had a comfortable night. I have since continued it with the greatest possible benefit, and am now comparatively well. God only knows the amount of suffering this medicine has relieved me from. My advice to the suffering is—TRY IT.

CONSUMPTION CURED.

New York, Dec 27th, 1853.
I came to New York in the ship Telegraph, my native place is St John, New Brunswick, when I reached this city, my health was very poor, had a very bad cough, raised a great deal of matter, which was frequently mixed with blood, had pain in my left side, and was very weak and emaciated. My friends and physician pronounced my case Consumption, and beyond the reach of medicine. I accidentally heard of Dr Curtis's Hygeana, or Inhaling Hygean Vapor and Cherry Syrup, and obtained a package, which I verily believe was the means of saving my life—Soon after wearing the Inhaler, I found it relieved the pressure on my lungs, and after a while the disease made its appearance upon the surface under the Inhaler. I took the Cherry Syrup as directed, and continued to do so, my cough gradually growing better, until it entirely left me, and I now consider myself cured. I still wear the Inhaler, as the use of it is rather pleasant, and believing it strengthening and purifying to the lungs, I feel unwilling at present to dispense with it. JOHN WOOD

MEDICATED INHALATION!

CONSUMPTION CAN BE CURED, AS TREATED BY

DR. E. N. TRIST,

WITH HIS CELEBRATED

HYGEN & OXYGENIC VAPOR!

DR TRIST, Graduate of the Royal College of Surgeons in London, and the recipient of diplomas from the *Lung Institution of Edinburgh*, and *Hotel des Invalides of Paris*, having settled permanently in New York for the practice of his profession, begs leave to suggest to the citizens of the United States that several years of study and *successful experiments* in England and Scotland, as well as other parts of Europe, with *Consumption in all its forms*, enables him to warrant, not only relief, but a *complete cure* to all those suffering with this great national disease.
Dr TRIST deems it unprofessional to advertise, but others having represented themselves as the originators of the Inhalation Treatment he would say to the afflicted that he alone is entitled to its first introduction, and would caution all against using the useless and dangerous compounds advertised by incompetent persons.
"Take up thy bed and walk"
Dr TRIST would say to those interested that he has had manufactured, for the use of his patrons, his "*Patent Inhaling Tubes*, through which the vapor is conveyed to the parts affected, and which he earnestly commends for the cheering results which have attended their use, and the *fact* that they may be used by the most feeble in valid without any unpleasant symptoms.
To those residing out of the city, Dr Trist will forward one of the Inhaling Tubes, together with a package of the Vapor, sufficient to last for three months, accompanied with ample directions for use, on receipt of a letter containing Ten Dollars, and describing symptoms.
A cure is warranted in all stages of *Consumption, Bronchitis, Asthma*, and all other *affections of the Throat, Lungs* and Air Passages. In case of failure, the money will be returned.
